Re: SOAH Docket No. 473-19-1841, PUC Docket No. 48745, *Compliance Filing of Entergy Texas, Inc., relating to Participation in Smart Meter Texas and Changes to its Advanced Metering Systems.*

Dear Judge Siano:

During the prehearing conference held on January 23, 2019, parties requested to defer the adoption of a procedural schedule in order to discuss a resolution of this case. The parties further agreed to provide monthly status reports on resolution. In SOAH Order No. 2 memorializing the prehearing conference, parties were ordered to provide a status report by February 28, 2019, and the last day of each month thereafter until further ordered. ETI's representatives had several meetings with the Green Button Alliance this month with respect to certification of the design of ETI's Customer Engagement Portal and have advised the parties that more time is necessary to bring the certification issue to resolution. Accordingly, the parties request the continued deferral of a procedural schedule in this case.

Sincerely,

Miguel Suazo
