Re: SOAH Docket No. 473-19-1841, PUC Docket No. 48745, *Compliance Filing of Entergy Texas, Inc., relating to Participation in Smart Meter Texas and Changes to its Advanced Metering Systems.*

Dear Judge Siano:

During the prehearing conference held on January 23, 2019, parties requested to defer the adoption of a procedural schedule in order to discuss a resolution of this case. The parties further agreed to provide monthly status reports on resolution. In SOAH Order No. 2 memorializing the prehearing conference, parties were ordered to provide a status report by February 28, 2019, and the last day of each month thereafter until further ordered.

Pursuant to Order No. 2, the parties have been holding periodic discussions and continue to make progress toward resolving this matter. The parties will provide their next status report at the end of January 2022. Accordingly, the parties request the continued deferral of a procedural schedule in this case.

Please do not hesitate to contact me with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "George Hoyt", written over a horizontal line.
