**SOAH ORDER NO. 3**  
**REQUIRING A COMPREHENSIVE UPDATE IN THE NEXT STATUS REPORT**

This matter has been abated since January 29, 2019, and the assigned Administrative Law Judge (ALJ) ordered the Applicant to provide a status report by the last day of each month thereafter, until further ordered. On May 6, 2022, the Public Utility Commission requested Entergy Texas, Inc. (Entergy) to appear at the May 12, 2022 open meeting to provide an update on the progress and anticipated completion of a proposed resolution in this docket. The next status update required in this docket is **no later than May 31, 2022**. Therefore, in the next status update, the ALJ **ORDERS** Entergy to include a summary of any information provided to the Commission at the open meeting and any action required in this State Office of Administrative Hearings docket.

**SIGNED May 10, 2022.**
