PROPOSED DEFAULT ORDER

This Default Order addresses the petition of Commission Staff to revoke the certificate of public convenience and necessity of Hearthstone Colony Water Supply Corporation (Hearthstone) for violations of the Texas Water Code¹ and Commission rules.² The Commission grants Commission Staff's petition and revokes certificate of convenience and necessity 20588.

The Commission adopts the following findings of fact and conclusions of law:

I. Findings of Fact

Background

1. Hearthstone is a retail public utility that was granted certificate of convenience and necessity 20588 on April 21, 1983.
2. Hearthstone is located in Harris County, Texas in the city of Houston.
3. On June 14, 1982, Hearthstone filed an application with the Texas Secretary of State (SOS) to become a Texas corporation.
4. Hearthstone has ceased to operate and is now listed as inactive on the SOS's website.
5. Hearthstone is no longer in business and the facilities it used to provide continuous and adequate service are inactive.

¹ Tex. Water Code Ann. § 13.254 (West 2008 and Supp. 2016) (TWC).

² 16 Texas Admin. Code § 24.245 (TAC). At the time the petition was filed, the relevant rule was 16 TAC § 24.113.

Application

6. On October 10, 2018, Commission Staff filed a petition and provided notice of opportunity for hearing seeking revocation of Hearthstone's certificate 20588.
7. The petition disclosed, using a font size larger than 12-point, bold-face type, that the factual allegations in the petition could be deemed admitted and the relief requested could be granted by default if a timely hearing request was not made.

Notice

8. On October 10, 2018, Commission Staff sent a copy of the petition by certified mail, return receipt requested, to the addresses Commission Staff was able to find for Hearthstone after reasonable investigation. More specifically, the petition was sent by certified mail, return receipt requested, to the address that Hearthstone most recently had on file with the Commission and the SOS.

Default

9. More than 30 days have passed since service of the petition to Hearthstone.
10. Hearthstone did not request a hearing on the merits.

II. Conclusions of Law

1. The Commission has jurisdiction over this petition under § 13.254 of the Texas Water Code (TWC).
2. TWC § 13.242 provides that a "utility ... may not in any way render retail water ... utility service directly or indirectly to the public without first having obtained from the utility commission a certificate that the present or future public convenience and necessity will require that installation, operation, or extension."
3. Under 16 Texas Administrative Code (TAC) § 24.3(14), a CCN is "[a] permit issued by the commission which authorizes and obligates a retail public utility to furnish, make available, render, or extend continuous and adequate retail water or sewer utility service to a specified geographic area."
4. Under 16 TAC § 24.3(59), a retail public utility is "[a]ny person, corporation, public utility, water supply or sewer service corporation, municipality, political subdivision or agency operating, maintaining, or controlling in this state facilities for providing potable water service or sewer service, or both, for compensation."

5. TWC § 13.250 and 16 TAC § 24.247 require a retail public utility that possesses a certificate to provide "continuous and adequate service."
6. If the Commission finds that a retail public utility that possesses a certificate "has never provided, is no longer providing, is incapable of providing, or has failed to provide continuous and adequate service in the area, or part of the area, covered by the certificate," the Commission may revoke the CCN pursuant to TWC § 13.254 and 16 TAC § 24.245.
7. Hearthstone failed to meet the performance requirements for a certificate holder in TWC § 13.250 and 16 TAC § 24.247 when it ceased operating and ceased to provide continuous and adequate service.
8. Hearthstone is incapable of providing continuous and adequate service in the area covered by certificate 20588.
9. Issuance of a default order against Hearthstone is appropriate because Hearthstone failed to request a hearing within 30 days of service of the notice of an opportunity for a hearing, as provided in 16 TAC § 22.183(a).
10. The requirements for disposition by default in 16 TAC § 22.183 have been met in this proceeding.

III. Ordering Paragraphs

In accordance with these findings of fact and conclusions of law, the Commission issues the following order:

1. Commission Staff's petition is granted.
2. Hearthstone's certificate 20588 is revoked.
3. The Commission shall not be constrained in any manner from requiring additional action or penalties for violations.
4. The Commission denies all other motions and any other requests for general or specific relief, if not expressly granted.

Signed at Austin, Texas, the _____ day of _____, 2019.

Petition to Revoke

DOCKET NO.

2018 OCT 17 12:55
PUBLIC UTILITY COMMISSION
OF TEXAS

or sewer service corporation may not in any way render retail water or sewer utility service directly or indirectly to the public without first having obtained from the utility commission a certificate that the present or future public convenience and necessity will require that installation, operation, or extension.”

A CCN is defined as “[a] permit issued by the commission which authorizes and obligates a retail public utility to furnish, make available, render, or extend continuous and adequate retail water or sewer service to a specified geographic area.”² A retail public utility is “[a]ny person corporation, public utility, water supply or sewer service corporation, municipality, political subdivision or agency operating, maintaining, or controlling in this state facilities for providing potable water service or sewer service, or both, for compensation.”³

A retail public utility that possesses a CCN is required to provide continuous and adequate service.⁴ A retail public utility that possesses a CCN and fails to provide continuous and adequate service may be subject to revocation.⁵ As part of this authority, the Commission, “after notice and hearing, may revoke or amend any” CCN if the Commission finds that the certificate holder “has never provided, is no longer providing, is incapable of providing, or has failed to provide continuous and adequate service” in the area, or part of the area, covered by the certificate.⁶

Pursuant to the contested case provisions of the Administrative Procedure Act,⁷ a party is entitled to an opportunity for a hearing after reasonable notice of not less than 10 days, where the party may respond to and present evidence and argument on each issue involved in the case.⁸ If a hearing is not requested within thirty days after service of notice of an opportunity for hearing, a default occurs.⁹ Upon default, the presiding officer may issue a default order, revoking the certificate without a hearing on an informal basis.¹⁰

III. FACTUAL ALLEGATIONS

Hearthstone is located in Harris County, Texas in the City of Houston. On June 14, 1982, Hearthstone filed an application with the Secretary of State to become a Texas corporation. On April 21, 1983, Hearthstone was granted CCN No. 20588. The utility has ceased to operate and is now listed as inactive on the Secretary of State's website. Commission Staff's review of Commission's records indicate that Hearthstone is no longer in business and the facilities it used to provide continuous and adequate service are inactive. Therefore, Hearthstone is no longer providing and is incapable of providing continuous and adequate service.

IV. RECOMMENDATION FOR REVOCATION

The Commission should revoke Hearthstone's CCN No. 20588 because Hearthstone is no longer in business, and the facilities it used to provide continuous and adequate service are inactive.¹¹ As long as CCN No. 20588 continues to remain in effect, it may be a violation of Commission rules for another company to provide service in the certificated area.¹²

For the above stated reasons, Commission Staff recommends revocation of CCN No. 20588 pursuant to TWC § 13.254(a)(1) and 16 TAC § 24.113(i)(1)(A).

V. NOTICE OF OPPORTUNITY FOR HEARING

16 TAC §§ 22.54 and 22.55 require Commission Staff to provide reasonable notice to persons affected by a proceeding in accordance with the Administrative Procedure Act. In license revocation proceedings, APA § 2001.054 requires that notice be given "by personal service or by registered or certified mail to the license holder of facts or conduct alleged to warrant the intended action." In order to proceed on a default basis, 16 TAC § 22.183 requires Commission Staff to provide notice by certified mail, return receipt requested: (a) to a certificate holder's last known address in the Commission's records; (b) to the person's registered agent for process on file with the Secretary of State; or (3) to an address for the party identified after reasonable investigation if the first two options are not applicable.

¹¹ See TWC § 13.254(a)(1) and 16 TAC 24.113(i)(1)(A).

¹² See TWC § 13.242.

In accordance with these provisions, Commission Staff will provide a copy of this petition by certified mail, return receipt requested, to Hearthstone's last known address in the TCEQ's and Commission's records:

Hearthstone Colony Water Supply Corporation
5851 San Felipe
Houston, TX 77057

Commission Staff will also provide a copy of this petition by certified mail, return receipt requested, to the address for the registered agent for process on file with the Secretary of State:

Timothy G Green
6750 W. Loop South, Ste.150
Bellaire, TX 77401

Pursuant to 16 TAC § 22.183, Commission Staff hereby notifies Hearthstone that the factual allegations in this petition could be deemed admitted and the relief sought herein granted by default if Hearthstone fails to request a hearing within 30 days after service of the Petition and Notice of Opportunity for Hearing. The purpose of a hearing on the merits is to consider revocation of Hearthstone's CCN No. 20588. If Hearthstone fails to request a hearing, the presiding officer may issue a default order on an informal basis without a hearing on the merits pursuant to APA § 2001.056(4) and 16 TAC § 22.183.

The factual allegations listed in Commission Staff's Petition and Notice of Opportunity for a Hearing could be deemed admitted and the relief sought herein could be granted by default if you fail to timely request a hearing.

VI. REQUEST

WHEREFORE, PREMISES CONSIDERED, Commission Staff respectfully requests that the Commission grants Commission Staff's request to revoke Hearthstone's CCN No. 20588. In the event that Hearthstone fails to request a hearing on the merits, Commission Staff requests that the Commission issue a default final order, with no further notice to Hearthstone, revoking CCN No. 20588.
