**ORDER NO. 16
GRANTING REQUEST FOR EXTENSION**

This Order addresses Commission Staff's request for extension filed on April 23, 2020. Commission Staff requests additional time to address requested revisions to the final maps, certificates, and tariffs that have been provided to the applicants. Commission Staff indicated that the applicants are unopposed to the request.

The administrative law judge (ALJ) grants the request. The ALJ notes that the applicants filed consent forms on May 4, 2020. The ALJ notes, however, that the consent form for Aqua Utilities, Inc. does not have a box checked to indicate whether or not Aqua Utilities consents. On or before May 11, 2020, Aqua Utilities must correct this omission by filing a revised consent form.

On or before May 11, 2020, the parties must file detailed, legally sufficient findings of fact and conclusions of law that meet the components of Texas Water Code § 13.246 and that support the relief requested.

Signed at Austin, Texas the 6th day of May 2020.
