ORDER NO. 2
FINDING PETITION INCOMPLETE AND
ESTABLISHING AN OPPORTUNITY TO CURE

This Order addresses Commission Staff's November 9, 2018, recommendation on the administrative completeness and proposed notice of TFLP Investments, LP's petition.

The petition does not contain all of the materials required by 16 Texas Administrative Code § 24.245(l). Specifically, TFLP Investments, LP did not provide proof that a copy of the petition was mailed to Aqua Texas, Inc. via certified mail on the same day that it submitted the petition to the Commission; and the deeds included with the petition identify an additional owner of the property for expedited release, TFGP Properties, L.L.C., which should have been included as a party to this proceeding. Accordingly, the administrative law judge finds the petition incomplete.

On or before December 18, 2018, TFLP Investments, LP must supplement the application to cure the deficiencies detailed above and described in Commission Staff's recommendation.

On or before January 19, 2019, Commission Staff must file a supplemental recommendation regarding administrative completeness, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 15th day of November 2018.
