**ORDER NO. 6  
AMENDING PROCEDURAL SCHEDULE**

This Order addresses Commission Staff's motion, filed on June 7, 2019, to revise the procedural schedule. Commission Staff's review indicates that no need for service has been established for a portion of the requested area and does not recommend approval of the application at this time. Commission Staff requests that the procedural schedule be amended to allow time for Campbell Water Supply Corporation to revise the application to remove the specified portion of the requested area, request a hearing, or provide supplemental information demonstrating a need for service.

The administrative law judge (ALJ) grants the motion. The ALJ amends the procedural schedule as follows:

Deadline for Campbell WSC to amend or supplement its application or request a hearing on the merits	July 12, 2019
Deadline for Commission Staff to file response to Campbell WSC's filing	August 12, 2019

Signed at Austin, Texas the 14<sup>th</sup> day of June 2019.
