**ORDER NO. 10
GRANTING EXTENSION AND
AMENDING PROCEDURAL SCHEDULE**

This Order addresses Campbell Water Supply Corporation's application, filed on October 22, 2018, and revised on July 16, 2019. On October 30, 2019, Commission Staff filed a request to extend the November 4, 2019 deadline to file a final recommendation on the application and to establish a deadline for Campbell WSC to file additional mapping and facility information. Commission Staff indicates that Campbell WSC supports the request.

The administrative law judge grants Commission Staff's request for extension of time and for a deadline for additional information from Campbell WSC. On or before December 4, 2019 Campbell WSC must file additional mapping and facility information. On or before January 6, 2020,¹ Commission Staff must file a final recommendation on the application.

The administrative law judge (ALJ) amends the procedural schedule as follows:

Deadline for Campbell WSC to file additional mapping and facility information	December 4, 2019
Deadline for Commission Staff to file a final recommendation on the application	January 6, 2020
Deadline for parties to file joint proposed notice of approval	January 21, 2020

¹ Commission Staff's requested date of January 4, 2020 is a Saturday; therefore, the ALJ sets the deadline as the following business day, Monday, January 6, 2020.

Signed at Austin, Texas the 15th day of November 2019.
