**ORDER NO. 14
ADDRESSING REQUEST FOR EXTENSION**

This Order addresses the request for extension of time filed by Commission Staff on August 4, 2020.

The administrative law judge (ALJ) notes that although the request stated that additional time was needed to file a recommendation on final disposition, the request appears to have been intended to request additional time to file a proposed Notice of Approval. Commission Staff requested that the deadline be extended until August 12, 2020. On August 7, 2020, however, Commission Staff filed a joint motion to admit evidence and proposed Notice of Approval. As such, it appears to the ALJ that an extension beyond August 7, 2020 is not necessary at this time.

The ALJ extends the deadline for submitting a proposed Notice of Approval to August 7, 2020. In the event that an additional extension is necessary, the ALJ requests Commission Staff to file either a statement of clarification to clarify its August 4, 2020 request, or an additional request for extension.

Signed at Austin, Texas the 10th day of August 2020.
