DOCKET NO. 48819

**APPLICATION OF NORTHTOWN ACRES WATER SUPPLY FOR
AUTHORITY TO CHANGE RATES** § **PUBLIC UTILITY COMMISSION
OF TEXAS**

**ORDER NO. 8
GRANTING REQUEST TO SET INTERVENTION DEADLINE
AND DIRECTING NORTHTOWN ACRES TO PROVIDE NOTICE**

This Order addresses Commission Staff's December 2, 2019, request to set an intervention deadline and for Northtown Acres to provide notice of the intervention deadline to each affected municipality and county and to each ratepayer. Specifically, Commission Staff states, because May 6, 2020 is the statutory deadline in this proceeding, setting the intervention deadline now will allow any person who may intervene the time necessary to meaningfully participate in a hearing on the merits.

The administrative law judge grants Commission Staff's request and establishes the deadline to intervene in this proceeding as January 15, 2020. Additionally, Northtown Acres Water Supply must mail notice of the intervention deadline to each affected municipality and county and to each ratepayer by December 26, 2019, and file an affidavit and a copy of the notice demonstrating that notice was provided as directed by January 6, 2020. Commission Staff's request included a draft notice and affidavit for use by Northtown Acres.

Signed at Austin, Texas the 3rd day of December 2019.
