AUTHORITY TO CHANGE RATES	§	ADMINISTRATIVE HEARINGS

JOINT CORRECTIONS TO THE PROPOSED ORDER

Commission Staff ("Staff") of the Public Utility Commission of Texas ("Commission") and Sheroll and Roger Richardson d.b.a. Northtown Acres Water Supply ("Northtown Acres"), timely file this Joint Corrections to the Proposed Order. In support thereof, Northtown Acres and Staff show the following:

I.   INTRODUCTION

On February 22, 2022, the Office of Policy and Docket Management ("OPDM") filed a Proposed Order in this docket to be considered by the Commission at a future open meeting. OPDM's cover memorandum directed parties to file any corrections or exceptions to the Proposed Order by March 4, 2022; therefore, these proposed corrections are timely filed.

II.   PROPOSED CORRECTIONS

In Finding of Fact 41, it appears that language was inadvertently omitted. Staff and Northtown Acres propose changing "testimony in of the agreement" to "testimony in support of the agreement."
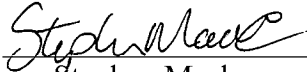

In Conclusion of Law 13, Staff and Northtown Acres propose replacing "Anderson Water's financial" with "Northtown Acres' financial."

III. CONCLUSION

Staff and Northtown Acres respectfully request that the above-referenced corrections to the Proposed Order be granted. Staff and Northtown Acres further seek any other relief to which they may be entitled.

Respectfully submitted,
