**ORDER NO. 6
DENYING MOTION FOR GOOD CAUSE EXCEPTIONS**

This Order addresses the motion of Kerrville South Water Company, Inc. and Aqua Texas, Inc. filed on August 22, 2019, requesting good cause exceptions from the requirements to submit a customer deposit list within 30 days of the actual effective date of the transaction under 16 Texas Administrative Code (TAC) § 24.239(m), and to include customer names and addresses on the list under 16 TAC § 24.239(m)(1).

The administrative law judge (ALJ) denies the requests for good cause exceptions. The ALJ acknowledges that the required information was filed past the 30 day deadline, but will not reject the filing for that reason. The applicants' request for leave to submit customer codes and premises codes in lieu of customer names and addresses is denied. Applicants have not identified good cause for deviating from the requirements of the applicable rule. By September 13, 2019, applicants must file a customer deposit list that fully complies with 16 TAC § 24.239(m). If applicants feel the need to file such information confidentially, they are free to do so.

Signed at Austin, Texas the 26th day of August 2019.
