SHARYLAND UTILITIES, L.P.’S AND SHARYLAND DISTRIBUTION & TRANSMISSION SERVICES, L.L.C.’S NOTICE OF CONFIDENTIAL RESPONSE TO COMMISSION STAFF’S NINTH SET OF REQUESTS FOR INFORMATION

On March 20, 2019, Sharyland Utilities, L.P. (“Sharyland”) and Sharyland Distribution & Transmission Services, L.L.C. (“SDTS”) filed their responses to the Commission Staff of the Public Utility Commission of Texas (“Commission Staff”) Ninth Set of Requests for Information (“RFI”). Exhibit SU/SDTS Staff 9-1 (HSPM) contains commercially sensitive information that is considered Highly Sensitive Protected Material. Sharyland and SDTS hereby designate Exhibit SU/SDTS Staff 9-1 (HSPM) as Highly Sensitive Protected Material under the Protective Order proposed in this proceeding. This notice is filed to comply with the requirements of paragraph 4 of the Protective Order relating to the claims of exemption from public disclosure pursuant to the Texas Public Information Act (“TPIA”).

The designated material is exempt from public disclosure pursuant to Tex. Gov’t Code §§ 552.101, 552.104, and/or 552.110. This material may include, but is not limited to, information that is customer specific and/or of a highly sensitive nature involving company business operations that, if released, would give advantage to a competitor. The public disclosure of any market-sensitive commercial information could cause competitive harm to Sharyland’s counterparts in contractual business relations and would be contrary to the state legislative policy in the Public Utility Regulatory Act.

The undersigned counsel for Sharyland and SDTS has reviewed the information sufficiently to state in good faith that the information is exempt from public disclosure under the TPIA and merits the confidential and highly sensitive protected material designation.

Respectfully submitted,
