OF TEXAS

TEXAS INDUSTRIAL ENERGY CONSUMERS' THIRD SET OF REQUESTS FOR INFORMATION TO SEMPRA ENERGY

Pursuant to 16 T.A.C. § 22.144(k) and the procedural schedule agreed to by the parties at the December 18, 2018 prehearing conference, Texas Industrial Energy Consumers ("TIEC") requests that Sempra Energy ("Sempra") provide all of the information requested in Exhibit "A" within twelve (12) working days. Responses to these discovery requests will be due on January 23, 2019.

Pursuant to 16 T.A.C. § 22.144 (c)(2), TIEC further requests that answers to the requests for information be made under oath. Each answer should identify the person responsible for preparing that answer (other than the purely clerical aspects of its preparation) and the name of the witness in this proceeding who will sponsor the answer and who can vouch for its accuracy. In producing documents pursuant to this request for information, please indicate the specific request(s) to which the document is being produced. These requests are continuing in nature, and should there be, for any reason, a change in circumstances which would modify or change an answer supplied by you, such changed answer should be submitted immediately as a supplement to your original answer pursuant to 16 T.A.C. § 22.144(i). Please answer each request and sub-request in the order in which they are listed and in sufficient detail to provide a complete and accurate answer to the request. TIEC further requests that each item of information be made available as it is completed, rather than upon compilation of all information requested.
