ORDER ADDRESSING PRELIMINARY ORDER

This order addresses Commission Staff and Phonoscope Enterprises Group, LLC's joint motion to abate the filing of the list of issues and the docket. In the joint motion, the parties requested relief from submitting a list of issues and a general abatement of the case for 60 days. The parties stated that at the end of 60 days, Commission Staff and Phonoscope Enterprises Group, LLC will file a status report. This order addresses the parties' requested relief regarding the list of issues. The request for abatement of the case for 60 days is before the State Office of Administrative Hearings.

In the order of referral, Phonoscope Enterprises Group, LLC was directed, and Commission Staff and any other interested party were allowed, to file a list of issues to be addressed in the docket by August 23, 2019. In response to the parties' requested relief from submitting a list of issues, the deadline to file a list of issues by August 23, 2019 is rescinded and may be re-set following the filing of the status report. The Commission was scheduled to consider and possibly adopt a preliminary order in this docket at the September 12, 2019 open meeting. The Commission will no longer consider a preliminary order at that meeting.

SIGNED AT AUSTIN, TEXAS the 22nd day of August, 2019.
