CITY OF HOUSTON COMMENT

The City of Houston ("Houston" or "City") is filing this comment to provide information in its possession to the Public Utility Commission ("Commission") for its consideration in determining the petition to revoke Phonoscope Enterprise Group, LLC's ("Phonoscope") certificate of operating authority.

Phonoscope is currently providing services in Houston and has been operating in the City for over a decade. Phonoscope has regularly reported access line fees to the City until recently due to internal issues but has stated that it will have the missing quarterly reports and fees ready this month. A copy of one of these reports is enclosed as Exhibit A. The access line fees reported are consistent with Category 3 access line fees.

Respectfully submitted,

CITY OF HOUSTON, TEXAS
