PUBLIC UTILITY COMMISSION

OF TEXAS

**RAYBURN COUNTRY ELECTRIC COOPERATIVE INC.'S NOTICE OF
APPLICATION FOR SECOND UPDATE TO WTS CREDIT RIDER**

Pursuant to the final order of the Public Utility Commission of Texas (Commission) in Docket No. 48400,¹ Rayburn Country Electric Cooperative, Inc. (Rayburn) provides this notice to the Commission and interested parties that on May 20, 2022, Rayburn filed an application for approval to update its wholesale transmission service (WTS) credit rider to implement the hold harmless payment associated with Rayburn's integration of load and associated facilities into the Electric Reliability Council of Texas (ERCOT) region. Ordering Paragraph No. 9 in the final order in Docket No. 48400 states:

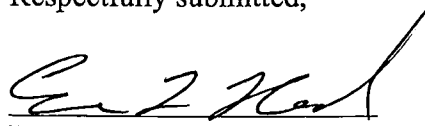

Rayburn must pay a total of \$4.5 million each year for five years to ERCOT wholesale transmission customers as agreed to by the signatories and described in finding of fact 58. Rayburn must submit an initial application to establish the wholesale transmission credit rider no later than four months before the integration date. Rayburn must apply annually, or more frequently as needed, to update its wholesale transmission credit rider rate to incorporate any changes to the ERCOT 4CP billing units.

This is Rayburn's second update to its WTS credit rider, which is made after final approval of the 2022 transmission service charge matrix in Docket No. 52989.² Rayburn's Application for Second Update to Wholesale Transmission Service Credit Rider has been assigned to Docket No. 53628.

¹ *Joint Application of Rayburn Country Electric Cooperative, Inc. and Lone Star Transmission, LLC to Transfer Load to ERCOT, for Sale of Transmission Facilities, and Transfer of Certificate Rights in Henderson and Van Zandt Counties*, Docket No. 48400, Final Order at Ordering Para. 9 (Mar. 13, 2019).

² *Commission Staff's Petition to Set 2022 Wholesale Transmission Service Charges for the Electric Reliability Council of Texas*, Docket No. 52989, Order (Apr. 21, 2022).

Respectfully submitted,
