REQUEST TO INTERVENE

DOCKET NO. 49057

RECEIVED

2019 JAN 18 PM 1:36

PUBLIC UTILITY COMMISSION
FILING CLERK

To Whom It May Concern:

I received notice that Entergy has requested a RATE CHANGE REQUEST. I would like to protest this Rate Change. This is not right that they should be able to get this as their rates are already higher than anyone else's. We don't have a choice in utility options as no one else can serve my area. If their rate change is approved, there will be numerous persons having to go without due to the rate change. People have to be able to survive and this would not be helping anyone. So with that being said **I PROTEST THIS RATE CHANGE FOR DOCKET NO. 49057.**
