PUBLIC UTILITY COMMISSION
FILING CLERK

Dear Ms. McDaniel:

Please consider this document and its associated attached maps from AWR Services, Inc. as the Malone Addition Water System's response to the Public Utility Commission of Texas Order No. 5 requesting the following:

1. Two (2) maps related to the District's Certificate of Convenience and Necessity. Please find the attached maps for consideration.
2. Provide proof all customers are currently receiving water service from the City of Austin. Please find the attached Austin Water Utility Certified Letter.

We request the Public Utility Commission of Texas considers the attached maps and proof all customers are currently receiving service from the City of Austin before dismissal of this application, and these documents be considered as a response to the Malone Addition Water System's request to discontinue water service and cancel its Certificate of Convenience and Necessity. We also wish to express our appreciation to the Public Utility of Commission staff who provided valuable assistance during this process.

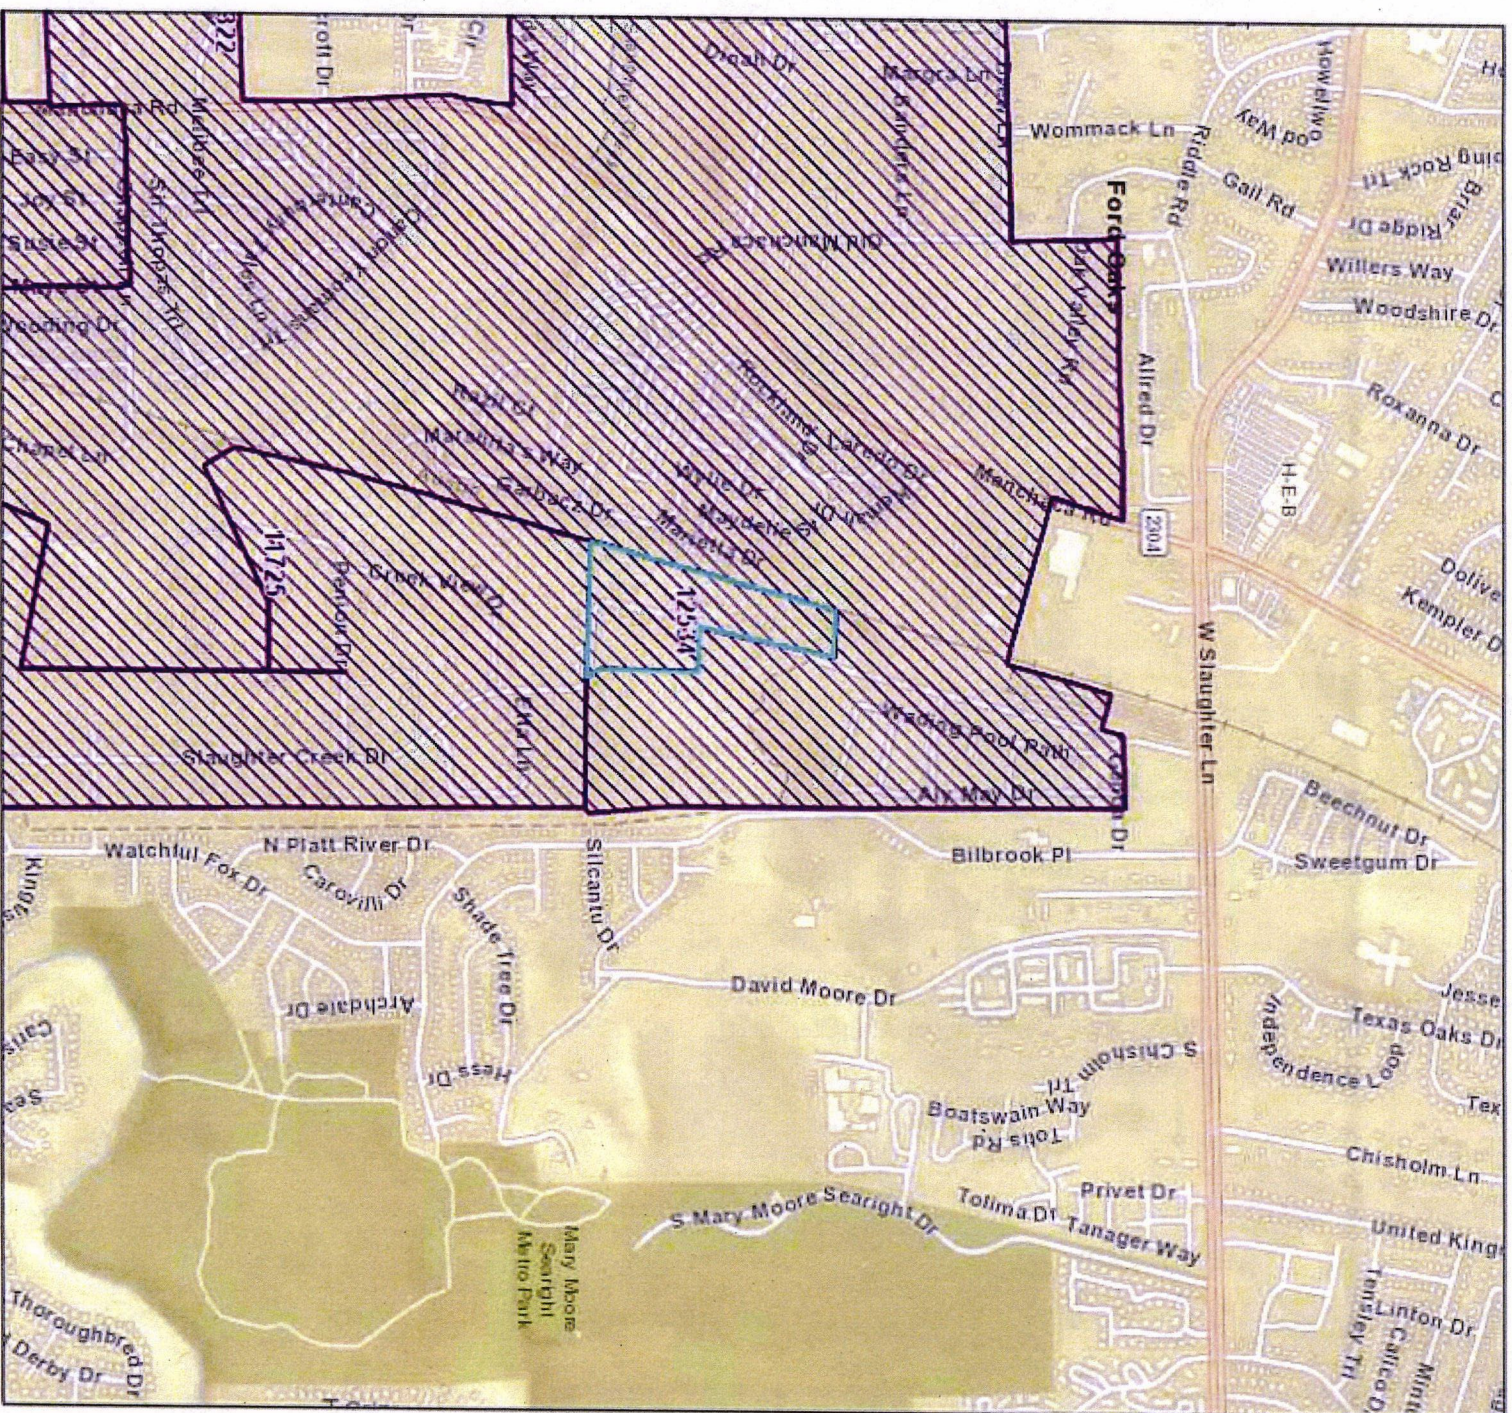

Should you have any questions, please contact us at (512) 402-1990. We thank you for your time and consideration of this matter.

Respectfully,

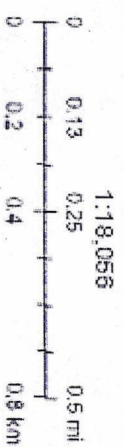

Brett Lanham
Executive Vice President
AWR Services, Inc.
