**ORDER NO. 10  
FINDING NOTICE DEFICIENT; AND  
ESTABLISHING A PROCEDURAL SCHEDULE**

This Order addresses Malone Addition Water System's petition to discontinue water service and cancel its certificate of convenience and necessity in Travis County and the sufficiency of notice. Malone has not provided proof of notice as required in Order No. 9, filed on March 9, 2020.

The administrative law judge (ALJ) finds the notice to be deficient. Malone must provide proof of notice of the petition as described in Commission Staff's sufficiency recommendation.

The ALJ adopts the following procedural schedule:

Event	Date
Deadline for Malone to file with the Commission signed affidavits that the notice was given along with a copy of the notice sent to the affected parties	May 13, 2020
Deadline for Commission Staff to file a supplemental recommendation on sufficiency of notice	May 27, 2020
Deadline to intervene	June 11, 2020
