COMMISSION STAFF'S UNOPPOSED REQUEST FOR EXTENSION OF TIME

COMES NOW the Staff (Staff) of the Public Utility Commission of Texas (Commission), representing the public interest, and files this Unopposed Request for Extension of Time. In support thereof, Staff shows the following:

I. BACKGROUND

On January 2, 2019, Malone Addition Water System (Malone) filed a petition to cancel its water certificate of convenience and necessity (CCN) No. 12534 in Travis County.

On February 1, 2019, Order No. 2 was issued, requiring Malone to supplement its application and cure deficiencies by February 27, 2019. Staff was also required to file supplemental comments on the administrative completeness of the application and notice and to propose a procedural schedule by March 27, 2019. Therefore, this pleading is timely filed.

II. REQUEST FOR EXTENSION

Pursuant to 16 Tex. Admin. Code (TAC) § 22.4(b), Staff may request that the time allowed for filing any documents be extended for good cause. Malone did not properly file its supplemental materials by February 27, 2019.¹ Malone needs additional time to address the deficiencies and properly file the supplemental information, and Staff needs additional time to review the information once it is filed. Accordingly, Staff requests that Malone's deadline to file supplemental information be extended to April 27, 2019, and Staff's deadline to file a supplemental recommendation on administrative completeness be extended to May 28, 2019.

¹ Malone attempted to mail additional documents directly to Staff by February 27, 2019, though these documents would not have cured the stated deficiencies if they had been filed properly.

Staff has contacted a representative of Malone who stated that Malone is not opposed to this request.

III. CONCLUSION

Staff respectfully requests the entry of an order granting its request and extending the deadline for Malone to file supplemental information to April 27, 2019, and extending Staff's deadline to file a supplemental recommendation to May 28, 2019.

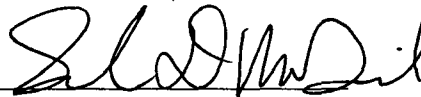

Dated: March 21, 2019
