To Whom It May Concern:

The Commission's Staff Recommendation on Sufficiency of Notice in this docket, issued March 18, 2019, found that the applicant did not file the actual list of the customers that were sent notice when it filed its affidavit of notification on February 26, 2019.

Attached is the Affidavit of Notice to Current Customers, Neighboring Utilities and Affected Parties, a copy of the Notice, and a list of neighboring utilities and entities to which the notice was mailed. The required list of all customer names is being filed concurrently as "Confidential."

Please contact me if any additional information is required at this time.
