**SOAH ORDER NO. 5
GRANTING MOTION TO EXTEND TESTIMONY DEADLINE**

By Order No. 4, the undersigned Administrative Law Judge (ALJ) adopted the parties' agreed procedural schedule, which set a deadline for Laguna Madre Water District to file direct testimony on November 4, 2019. That order notified that parties that any of the deadlines set therein, except for the dates for the prehearing conference and the hearing on the merits, could be modified by written agreement of the all parties filed with the ALJ. On October 28, 2019, the parties filed an agreed amendment to the procedural schedule, extending the deadline for the District to filed direct testimony from November 4 to November 15. On November 18, 2019, the District filed a Motion for Extension of Time to Submits Direct Testimony, requesting that the deadline be moved to November 22, 2019. Although timely served on the parties, the delivery service sent the filing to a different city and state and not to the Public Utility Commission of Texas. The certificate of conference indicates that no parties opposes the extension. The motion is **GRANTED**. Except hearing dates, future uncontested modifications to the procedural schedule should be accomplished by filing the agreement with the ALJ, without the necessity of a motion.

SIGNED November 19, 2019.
