Re: Project No. 49156 - *Application of Transparent Energy LLC for an Aggregator Registration*

NOTICE OF APPROVAL

This Notice of Approval addresses the application of Transparent Energy LLC filed on January 29, 2019, and amended on February 5, 2019, for an aggregator registration under 16 Texas Administrative Code (TAC) § 25.111. Transparent Energy seeks registration as a Class I aggregator for private residential, commercial, and industrial customers to buy electricity from retail electric providers.

On February 12, 2019, Commission Staff filed a recommendation stating that Transparent Energy complied with the requirements of 16 TAC § 25.111 and should be registered as an aggregator.

The administrative law judge (ALJ) finds the requirements of 16 TAC § 25.111 have been met. Accordingly, the ALJ approves the application and grants Transparent Energy aggregator registration number 80461.¹

Signed at Austin, Texas the 14th day of February 2019.
