RE: Open Meeting of May 9, 2019
PUC Docket No. 49176 – *Application of Troy Henry for Temporary Rates for Services Provided for a Nonfunctioning Utility*

On April 18, 2019, a Proposed Order was issued in the above-referenced docket and a deadline of May 1, 2019, was established for parties to file corrections or exceptions to the Proposed Order. Staff conferred with the Applicant and Staff and the Applicant have no exceptions to the Proposed Order. On May 1st, Staff filed a Letter Regarding Proposed Order suggesting three corrections to the Proposed Order. In that letter, Staff inadvertently included the wrong dates in its requested correction to Finding of Fact No. 4. Those dates have been corrected below.

Staff and Applicant suggest the following three corrections to the Proposed Order:

1. That Finding of Fact No. 4 be revised to change the year in the second listed date from "December 21, 2019" to "December 21, 2018"
2. That Finding of Fact No. 13a be revised to change "Tawakoni Water" to "Tawakoni Waste"; and
3. That Finding of Fact No. 13b be revised to change "flat charge" to "surcharge."

Sincerely,

Rustin Tawater
