Re: Temporary Rate Increase Request

Dear PUC:

In response to Order NO.1 (PUC Docket NO. 49176) dated February 11, 2019 please be advised Troy Henry, Regional Manager of the Sabine River Authority of Texas was appointed "Temporary Manager" of the Tawakoni Waste WWTP on December 21, 2018. Our office is sorry for any confusion created by our first letter referencing the Sabine River Authority as "Temporary Manager." On January 30, 2019 the Texas Commission on Environmental Quality (TCEQ) affirmed the Emergency Order set by the Executive Director.

The letter and receipts sent to the Public Utility Commission of Texas (Commission) and TCEQ on February 5, 2019 request a Temporary Rate Increase effective February 1, 2019 to cover costs incurred since being appointed "Temporary Manager." Our office did add a sentence stating a possible additional rate increase due to any unforeseen future capital expenses and any compliance costs.

If you have any questions please feel free to contact me at, 903-598-2216.

Sincerely,

Sabine River Authority of Texas

 , TEMPORARY MANAGER
Troy Henry
Regional Manager
