Re: *City of Lindale*
Water System CCN Amendment
Contract # LD-164
Docket #'s 49194, 49195, 49196, 49197, 49198

To Whom It May Concern:

The City of Lindale has received the comments from the Public Utility Commission and is currently working through the comments to provide the information necessary for the amendment of their water CCN by adding the five uncertified areas to their existing water CCN. Due to unforeseen circumstances and lack of information readily available, they have requested that the deadline for submitting a supplement addressing the comments for docket numbers 49194, 49195, 49196, 49197, and 49198 be extended from April 22, 2019 until May 24, 2019.

If you have any questions, please contact myself or Walter F. Hicks (application contact person).
