**Re: City of Lindale
Water System CCN Amendment
Contract # LD-164
Docket # 49196**

To Whom It May Concern:

The City of Lindale has opted to withdraw their application (Docket #49196) to amend their water CCN by adding the uncertified area to their water CCN due to the inability to gather the necessary proof of service or construction plans required by the PUC comments on previous application submittal.

If you have any questions, please contact myself or Walter F. Hicks (application contact person).
