Re: Project No. 49211 – *Application of South Trent Wind LLC to Amend its Power Generation Company Registration*

**NOTICE OF APPROVAL**

This Notice of Approval addresses South Trent Wind LLC's application, filed on February 11, 2019 and supplemented on March 8, 2019, to amend its power generation company (PGC) registration in accordance with 16 Texas Administrative Code § 25.109(h). South Trent Wind requested the amendment to reflect a change in ownership and control, update its contact information, and to identify new corporate affiliates. South Trent Wind's PGC registration number is 20219.

On March 8, 2019, Commission Staff recommended that the Commission approve the application because South Trent Wind satisfactorily completed the post-registration requirements by notifying the Commission of any material change in the information provided on the Commission prescribed registration form within 45 days of the change.

The Commission approves South Trent Wind's PGC application. The Commission will revise its records to reflect the change in ownership and control, and update contact and affiliate information for PGC registration number 20219.

Signed at Austin, Texas the 12<sup>th</sup> day of March 2019.
