**CITY OF CELINA'S RESPONSE TO COMMISSION STAFF'S
FIRST REQUEST FOR INFORMATION**

REQUEST FOR INFORMATION STAFF 1-1:

Staff 1-1. For the City of Celina's rate increase effective January 01, 2019, please provide the following information:

- a) A list of the names, public water system numbers, discharge permit numbers, and number of active connections as of January 01, 2019 for all water and sewer systems whose rates have been changed by the rate increase and who reside outside the corporate limits of the City of Celina.

RESPONSE:

See Exhibit Staff 1-1 a – REDACTED, and CONFIDENTIAL Exhibit Staff 1-1 a, filed under seal.

Certain customers have requested that their information be kept confidential, so the redacted copy does not show their information. The Confidential copy is not redacted.

- b) The City of Celina's documentation indicating the number of connections needed to meet the 10 percent requirement of the Texas Water Code § 13 .043(b).

RESPONSE:

Ten percent of the total connections listed in Exhibit Staff 1-1 a (1,452) would be 145. The City of Celina has reviewed the signatories and addresses in the Petition and found that after removing 15 duplicate addresses, there were 325 signatures. Accordingly the ten percent threshold appears to have been met.
