City of Celina, Texas
Notes to Financial Statements
September 30, 2013

1. Introduction and Summary of Significant Accounting Policies

The financial statements of the City of Celina, Texas and its component units, Celina Economic Development Corporation and Celina Community Development Corporation, collectively identified as the "City" have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

The accounting and reporting framework and the more significant accounting principles and practices of the City are discussed in subsequent sections of this note. The remaining notes are organized to provide explanations, including required disclosures, of the City's financial activities for the fiscal year ending September 30, 2013.

(A) Reporting Entity and Related Organizations

The City is a municipal corporation governed by an elected mayor and six member City Council. The City provides general administration, public works, police and judicial, and fire and emergency services to its residents. The Council hires a City Manager for day to day operations.

The City Council has the authority to make decisions, appoint administrators and managers, significantly influence operations; and has the primary accountability for fiscal matters. The City is not included in any other governmental "reporting entity" as defined by Governmental Accounting and Financial Reporting Standards.

In evaluating how to define the City for financial reporting purposes, management has considered all potential component units. The decision to include a potential component unit in the reporting entity is made by applying the criteria set forth in GASB Statements No. 14 and 39 as amended by GASB Statement 61, *The Financial Reporting Entity: Omnibus, an amendment of GASB Statements No. 14 and No. 34*. These statements define the reporting entity as the primary government and those component units for which the primary government is financially accountable. In addition, component units may be included in the reporting entity based on the nature and significance of the relationship with the primary government, or based on being closely related or financially integrated with the primary government. Based on these criteria, the City has the following component units at September 30, 2013:

Discretely Presented Component Units:

Celina Economic Development Corporation (CEDC) - CEDC serves all citizens of the government and is governed by a board appointed by the City Council. The City Council may remove the CEDC board for cause. CEDC is a nonprofit corporation governed by Section 4A of the Texas Development Corporation Act of 1979 and organized for the public purpose of aiding, promoting and furthering economic development within the City of Celina, Texas.

1. Introduction and Summary of Significant Accounting Policies - continued

Celina Community Development Corporation (CCDC) - CCDC serves all citizens of the government and is governed by a board appointed by the City Council. The City Council may remove the CCDC board for cause. CCDC is a nonprofit corporation governed by Section 4B of the Texas Development Corporation Act of 1979 and organized for the public purpose of the promotion and development of industrial and manufacturing enterprises to promote and encourage employment and the public welfare of the City of Celina, Texas.

Neither CEDC nor CCDC prepare separate financial statements.

(B) Government-Wide and Fund Financial Statements

Government-wide financial statements

The government-wide financial statements include the statement of net position and the statement of activities. These statements report financial information for the City as a whole excluding fiduciary activities. The primary government and component units are presented separately within the financial statements with the focus on the primary government. Individual funds are not displayed but the statements distinguish governmental activities, generally supported by taxes and City general revenues, from business-type activities, generally financed in whole or in part with fees charged to external customers.

The statement of activities reports the expenses of a given function offset by program revenues directly connected with the functional program. A function is an assembly of similar activities and may include portions of a fund or summarize more than one fund to capture the expenses and program revenues associated with a distinct functional activity. Program revenues include: (1) charges for services which report fees, fines and forfeitures, and other charges to users of the City's services; (2) operating grants and contributions which finance annual operating activities including restricted investment income; and (3) capital grants and contributions which fund the acquisition, construction, or rehabilitation of capital assets and include fees to developers. These revenues are subject to externally imposed restrictions to these program uses. Taxes and other revenue sources not properly included with program revenues are reported as general revenues.

Fund financial statements

Fund financial statements are provided for governmental and proprietary funds. Major individual governmental funds and Proprietary funds are reported in separate columns with composite columns for non-major funds.

(C) Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The financial statements of the City are prepared in accordance with generally accepted accounting principles (GAAP). The City's reporting entity applies all relevant Governmental Accounting Standards Board (GASB) pronouncements.

1. Introduction and Summary of Significant Accounting Policies - continued

The government-wide statements are prepared using the *economic resources measurement focus* and the *accrual basis of accounting* generally including the reclassification or elimination of internal activity (between or within funds). Proprietary fund financial statements and financial statements of City component units also report using this same focus and basis of accounting although internal activity is not eliminated in these statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows. Property tax revenues are recognized in the year for which they are levied while grants are recognized when grantor eligibility requirements are met.

Governmental fund financial statements are prepared using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized when they are both measurable and available. Available means collectible within the current period or soon enough thereafter to pay current liabilities. The City considers revenues to be available if they are collected within 60 days of the end of the fiscal year. Expenditures are recorded when the related fund liability is incurred, except for general obligation bond and capital lease principal and interest which are reported as expenditures in the year due.

Major revenues sources susceptible to accrual include: sales and use taxes, property taxes, franchise taxes, grant revenues, and investment income. In general, other revenues are recognized when cash is received.

Operating income reported in proprietary fund financial statements includes revenues and expenses related to the primary, continuing operations of the fund. Principal operating revenues for the proprietary fund are charges to customers for water and sewer sales or services. Principal operating expenses are the costs of providing goods or services and include administrative expenses and depreciation of capital assets. Other revenues and expenses are classified as *non-operating* in the financial statements.

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as needed.

(D) Fund Types and Major Funds

Governmental Funds

The City reports the following major governmental funds:

General Fund - reports as the primary operating fund of the City. This fund is used to account for all financial resources not reported in other funds.

Debt Service Fund - accounts for the accumulation of financial resources for the payment of principal and interest on the City's general obligation debt. The City annually levies ad valorem taxes restricted for the retirement of general obligation bonds, capital leases, and interest. This fund reports all such ad valorem taxes collected.

Capital Projects Fund - accounts for the financing and acquisition of major capital projects. Fund resources are provided primarily through bond sales and interest earnings.

1. Introduction and Summary of Significant Accounting Policies - continued

Proprietary Funds

The City reports the following major Proprietary fund:

Water and Sewer Fund - accounts for the operating activities of the City's water and sewer utilities services.

(E) Assets, Liabilities and Net Position or Equity

Cash and Investments

The City maintains cash and investment pools which are shared by the various governmental funds. In addition, non-pooled cash and investments are separately held and reflected in the respective individual funds. These pooled and non-pooled cash and investment pools are displayed on its respective balance sheet as "cash and cash equivalents" and "investment in TexPool."

Investments are reported at fair value determined as follows. Short-term, highly liquid investments are reported at cost, which approximates fair value. Cash deposits are reported at the carrying amount which reasonably estimates fair value.

Bank certificates of deposit are carried at cost which approximates fair value.

The City reporting entity considers highly liquid investments (including restricted assets) with an original maturity of three months or less when purchased to be cash equivalents.

Inventories and Prepaids

Inventories consisting of expendable supplies held for consumption in governmental funds are reported using the expenditure method. Under this method, amounts paid for these items are reported as expenditures when purchased. Inventories, when material, are recorded at cost stated on a first-in, first-out basis in the government-wide financial statements.

Prepaids record payments to vendors that benefit future reporting periods and are reported on the consumption basis at cost. Prepaids are similarly reported in government-wide and fund financial statements.

Deferred Inflows and Outflows of Resources

Deferred inflows of resources represent the acquisition of resources that apply to a future period and so will not be recognized as an inflow of resources (revenue) until that time. Deferred outflows of resources represent a consumption of resources that applies to a future period and so will not be recognized as an outflow of resources (expense) until that time.

1. **Introduction and Summary of Significant Accounting Policies - continued**

Capital Assets, Depreciation, and Amortization

The City's property, plant, equipment, and infrastructure with useful lives of more than one year are stated at historical cost, or if historical cost is not available, they are stated at estimated historical cost. These assets are comprehensively reported in the government-wide financial statements. The City maintains infrastructure asset records consistent with all other capital assets. Donated assets are stated at fair value on the date donated. The City generally capitalizes assets with a cost of \$5,000 or more as purchase and construction outlays occur. The costs of normal maintenance and repairs that do not add to the asset value or materially extend useful lives are not capitalized. Capital assets are depreciated using the straight-line method. When capital assets are disposed, the cost and applicable accumulated depreciation are removed from the respective accounts, and the resulting gain or loss is recorded in operations.

Estimated useful lives, in years, for depreciable assets are as follows:

Buildings	40
Road infrastructure	15 - 50
Water & sewer infrastructure & rights	20 - 40
Vehicles	5
Furniture, machinery, and equipment	5

The City has not capitalized any interest costs in the carrying value of capital assets.

Long-term Debt, Deferred Bond Credits, and Bond Discounts/Premiums

In the government-wide, proprietary, and component unit financial statements, outstanding debt is reported as liabilities. Bond discounts or premiums are capitalized and amortized over the terms of the respective bonds using a method that approximates the straight-line method.

The governmental fund financial statements recognize the proceeds of debt and premiums as other financing sources of the current period. Issuance costs are reported as expenditures.

Fund Equity

The City implemented GASB Statement 54 standards for the classification of fund balances in the governmental funds. The fund balances of governmental funds are defined as follows:

Non-spendable - amounts that cannot be spent either because they are in non-spendable form, such as inventory or prepaid items or because they are legally or contractually required to be maintained intact.

Restricted - amounts that can be spent only for specific purposes because of constraints that are externally imposed by creditors, grantors, contributors, or laws or regulations of other governments.

1. Introduction and Summary of Significant Accounting Policies – continued

Committed - amounts that can be used only for specific purposes determined by a formal action of the City Council. The City Council is the highest level of decision making authority for the City. Commitments may be established, modified, or rescinded only through a formal resolution of the City Council.

Assigned - amounts that do not meet the criteria to be classified as restricted or committed but are intended to be used for specific purposes that have been established by the City Council.

Unassigned - all other spendable amounts in the general fund.

The City Council delegates the responsibility to assign funds to the City Manager, Director of Finance, or other designee as determined by the Council.

When expenditures are incurred for which both restricted and unrestricted fund balance is available the City considers restricted funds to have been spent first. Similarly, committed funds are considered to have been spent first when there is a choice for the use of less restricted funds, then assigned and then unassigned funds.

Compensated Absences

Full-time employees earn vacation leave for each month of work performed. Progressive accrual of vacation leave is based on the number of years the individual is employed by the City. After completion of a probationary period of employment, accrued vacation leave is paid upon termination of employment. Full-time employees also earn sick leave time. Unused sick leave is not paid upon termination of employment.

Compensated absences are reported as accrued in the government-wide, proprietary and component unit financial statements. Governmental funds report only matured compensated absences payable to currently terminating employees. These are included in wages and benefits payable.

(F) Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City is a participant in the Texas Municipal League (TML) Employees Health Insurance Fund, Texas Municipal League Workers' Compensation Joint Insurance Fund (WC Fund) and the Texas Municipal League Joint Self-Insurance Fund (Property-Liability Fund), a public entity risk pool operated by the Texas Municipal League Board for the benefit of individual governmental units located within Texas. The agreement provides that the trust established by TML will be self-sustaining through member premiums. The City pays annual premiums to TML for worker's compensation, general and auto liability, property damage, employee dishonesty, public officials liability, and law enforcement professional liability coverage. The City does not anticipate any material additional insurance cost assessments as a result of participation in this risk management pool. There were no reductions in insurance coverage from the prior year. Settlements have not exceeded insurance coverage during any of the past three fiscal years.

1. Introduction and Summary of Significant Accounting Policies – continued

(G) Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

2. Stewardship, Compliance, and Accountability

Budgetary Information

The City Manager submits an annual budget to the City Council in accordance with the laws of the State of Texas and the city charter. The budget is presented to the City Council for review, budget workshops are held with the various City department officials, and public hearings are held to address priorities and the allocation of resources. Generally in August, the City Council adopts the annual fiscal year budgets for all City operating funds. Once approved, the City Council may amend the legally adopted budget when unexpected modifications are required in estimated revenues and appropriations.

Each fund's approved budget is prepared on a detailed line item basis. Revenues are budgeted by source. Expenditures are budgeted by department and class as follows: personnel services and related fringe benefits, supplies, other services and charges, capital outlay, transfers, and debt service. Expenditures may not exceed appropriations at the department level. Within this control level, management may transfer appropriations between line items. Budget revisions and line item transfers are subject to final review by the City Council. Revisions to the budget were made throughout the year.

The budgets for the operating funds are prepared on the cash and expenditure basis. Revenues are budgeted in the year receipt is expected; and expenditures, which do not include encumbrances, are budgeted in the year that the liability is to be incurred. The Debt Service Fund budget is prepared to provide funding for general obligation debt service when liabilities are due for payment. The budget and actual required supplementary information is presented on these bases. Unexpended appropriations for annually budgeted funds lapse at fiscal year-end.

3. Deposits and Investments

Custodial credit risk for deposits is the risk that in the event of a bank failure, the City's deposits may not be returned or the City will not be able to recover collateral securities in the possession of an outside party. The City's policy requires deposits to be fully secured by collateral valued at market or par, whichever is lower, less the amount of Federal Deposit Insurance Corporation (FDIC) insurance. Deposited funds may be invested in certificates of deposit in institutions with an established record of fiscal health. Collateral agreements must be approved prior to deposit of funds. The City Council approves authorized depository institutions based on the recommendations of City management.

Deposits of City of Celina, Texas (primary government) and its component units, CEDC and CCDC, are fully insured or collateralized with securities held by the City or component unit, its agent, or by the pledging financial institution's trust department or agent in the name of the City or component unit, respectively.

3. Deposits and Investments - continued

Investments

During the year ended September 30, 2013 the City invested only in Texas Local Government Investment Pool ("TexPool"). TexPool is a public funds investment pool overseen by the Texas State Comptroller of Public Accounts acting by and through its full service provider, Federated Investors is empowered to invest funds and act as custodian of investments purchased with local investment funds. Authorized investments of TexPool include obligations of the United States of America or its agencies, direct obligations of the State of Texas or its agencies, certificates of deposit and repurchase agreements. At September 30, 2013, the carrying amount and fair value of the City's investment in TexPool was \$1,197,582. TexPool is rated for credit risk as AAAm and maintained a weighted average days to maturity of 78 days at September 30, 2013.

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. Generally, the City's investing activities are managed under the custody of the Treasurer (in his absence the City Manager). Investing is performed in accordance with investment policies adopted by the City Council in compliance with the Public Funds Investment Act (PFIA). City investment policy and the PFIA generally permit the City to invest in FDIC insured or fully collateralized certificates of deposit, fully collateralized repurchase agreements, public funds investment pools, obligations of the United States of America or its agencies, direct obligations of the State of Texas, and obligations of agencies, counties, cities and other political subdivisions of Texas having been rated as to investment quality by a nationally recognized investment rating firm and having received a rating of not less than "A" or its equivalent. During the year ended September 30, 2013, the City did not own any types of securities other than those permitted by the City investment policy or the Public Funds Investment Act.

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. Investments held for longer periods are subject to increased risk of adverse interest rate changes. City policy generally requires investment maturities to correspond to anticipated cash flow needs. City policy further states that volatile investment instruments shall be avoided and that nonmarketable instruments with maturities beyond one month shall not exceed 30 percent of the portfolio. In addition, investment maturities shall not exceed the following limits:

- Operating funds - 30 days
- Capital project funds - corresponding draw schedules
- Debt service funds - corresponding payment dates, not to exceed (6) six months
- Bond reserve funds - (5) five years

Concentration of credit risk is the risk of loss attributed to the magnitude of the City's investment in a single issuer. City policy requires that the risk of principal loss in the portfolio as a whole shall be minimized by diversifying investment types to eliminate the risk of loss from over-concentration of assets in a specific issuer, or a specific class of securities.

For investments, **custodial credit risk** is the risk that, in the event of the failure of the counterparty, the City will not be able to recover the value of its investments or collateral securities in the possession of an outside party. The City's policy on safekeeping and custody requires that investments shall be secured through safekeeping agreements. All investment funds shall be placed directly with qualified financial institutions selected through the City's banking procurement process. All transactions shall be executed on a delivery versus payment basis.

4. Receivables, Uncollectible Accounts, and Unearned Revenue

Proprietary Fund Receivables, Uncollectible Accounts and Unearned Revenue

Significant receivables include amounts due from customers primarily for utility services. These receivables are due within one year. The Proprietary Fund reports accounts receivable net of an allowance for uncollectible accounts and revenues net of uncollectible amounts. The allowance amount is estimated using accounts receivable past due more than 60 to 90 days. Following is the detail of the Proprietary Fund receivables and the related allowance for uncollectible accounts:

Accounts receivable, gross	\$586,714
Less: allowance for uncollectible accounts	<u>(931)</u>
Net accounts receivable	<u>\$585,783</u>

The City has recorded unearned revenue of \$308,975 for water and sewer impact fees that have been collected, but are awaiting expenditure for the designated purpose.

Property Taxes Receivable, Unearned Revenues, and the Property Tax Calendar

The City's property tax is levied each October 1 on the assessed value listed as of the prior January 1 for all real property located within the City. Appraised values are established by the Collin County Central Appraisal District at 100% of market value. As of January 1, 2012, all real property was assessed at a net taxable value of \$478,640,217.

The property tax rate for the year ended September 30, 2013 was .645 per \$100 of the assessed valuation on taxable property. Following is a summary of the overall tax rate as levied by fund:

Maintenance and operations-General Fund	.4755
Debt Service Fund	<u>.1695</u>
Total tax rate	<u>.6450</u>

Collections of the current year property tax levy were \$3,087,016 or 99.99% of the current year tax levied.

In the governmental fund financial statements, property taxes are recorded as receivables in each of the respective funds on the tax levy date with appropriate allowances for estimated uncollectible amounts. At fiscal year-end, property tax receivables represent delinquent taxes. If delinquent taxes are not paid within 60 days of year-end, they are recorded as deferred inflows of resources.

In the government-wide financial statements, property taxes receivable and related revenue include all amounts due the City with a 10% allowance for estimated uncollectible amounts regardless of when cash is received. Over time substantially all property taxes are collected.

The City's full year property tax calendar is as follows:

October 1-Full year tax levy assessed for the current fiscal year-taxes are due and payable.

January 1-Tax lien is attached to property to secure the payment of taxes, and penalty and interest as applicable.

February 1-Penalty and interest charges begin to accrue on unpaid past due taxes.

July 1-Taxes become delinquent and are subject to attorney fees incurred for collection.

4. Receivables, Uncollectible Accounts, and Unearned Revenue - continued

Allowance for Uncollectible Taxes

The City records an allowance for uncollectible property taxes in order to estimate the amount of taxes that will ultimately prove to be uncollectible. Management has determined that an allowance in the amount of ten percent (10%) of the property taxes receivable in each of the applicable fund types should be adequate to provide for uncollectible property taxes. No provisions are made for uncollectible sales tax receivables, or grants receivable as management estimates that these amounts will be fully collectible.

Fines and Court Costs Receivable and Related Allowances

In the governmental fund financial statements, fines and court costs are recognized as revenue on the cash basis.

In the government-wide financial statements, the City records fines and court costs receivable net of amounts estimated to be uncollectible and net of any amounts that would be due to other governmental entities as a result of collection. Management has determined the estimate of uncollectible fines and court costs through an analysis of actual amounts collected subsequent to year end. Amounts due to other governmental entities have been determined based on distribution requirements of the State of Texas.

Grants Receivable

Grants receivable were collected within 60 days of the end of the fiscal year, accordingly, no allowance for uncollectible amounts has been recorded. These amounts are recorded similarly in both the governmental fund statements and the government-wide financial statements. Grant revenues are recorded as earned when eligibility requirements are met. Grant revenues received prior to meeting grant eligibility requirements are recorded as unearned revenue.

6. Long-Term Obligations

Long-term Obligations Supporting Governmental Activities

Certificates of obligation bonds issued by the City are backed by the full faith and credit of the City. These bonds are to be repaid with property taxes levied for debt service and recorded in the Debt Service Fund. The City's borrowing capacity is restrained by maintaining the City's debt at a responsible level. Other debt issued to support governmental activities are capital lease obligations which are primarily paid from the General Fund.

Interest expense for governmental activities was \$457,748 and is reported as a separate line item in the statement of activities.

Business-type Activities - Revenue Bonds

Revenue bonds consist of debt issued to support activities of the Proprietary (water and sewer) Fund. In addition to being backed by the full faith and credit of the City, revenue bonds are secured by a lien on and a pledge of the surplus revenues of the water and sewer system.

Interest expense for business-type activities and the Proprietary (water and sewer) Fund was \$298,123 for the year.

The following page contains a summary of changes in bonds payable and capital lease obligations for the year:

The City's general obligation bonds are guaranteed by the full faith and credit of the City. The bond issues are approved by the voters and repaid with property taxes recorded in the Debt Service Fund. Current requirements for principal and interest of these obligations are accounted for in the Debt Service Fund.

Capital lease agreements represent general obligations of the City, and are secured by the equipment acquired by the capital lease proceeds. Current requirements for principal and interest of capital lease obligations are accounted for in the appropriate fund for which the liability was incurred.

Compensated absences are paid from the fund responsible for the employee's compensation with significant liabilities payable from the General Fund.

In addition to the bonds and capital leases above, the City also has the following long-term obligations:

<i>Governmental Activities:</i>					
Compensated absences	\$ 109,385	\$ 125,622	\$ 109,385	\$ 125,622	\$ 125,622

It is anticipated that the liability for compensated absences described above will be paid from the General Fund when due.

	<u>Beginning Balance</u>	<u>Increase</u>	<u>Decrease</u>	<u>Ending Balance</u>	<u>Due Within One Year</u>
<i>Business-type Activities:</i>					
Obligation due to					
Celina ISD	\$ 755,870	\$	\$ 159,563	\$ 596,307	\$ 95,282

The obligation due to Celina ISD is a result of the school district funding the cost for the installation of a new water line that provides service to school facilities. The obligation is non-interest bearing however, the City has discounted the debt to estimated present value using the assumption of a 5.5% annual interest rate. The agreement with Celina ISD is that the City will not bill the school for water use until such time as the cumulative billings are equal to the cost of installing the water line. At the current rate of water use by Celina ISD, City management estimates approximately \$126,000 of gross billings for annual water use will be credited to this obligation over each of the next five years.

7. Refunded Debt

During 2013, the City issued general obligation refunding bonds of \$4,315,000 (par value) with interest rates ranging from 2.0% to 3.5% as a current refunding of term bonds with interest rates ranging from 4.625% to 5.0%, and a par value of \$4,090,000. The term bonds mature on September 1, 2027. The general obligation refunding bonds were issued at par plus a premium of \$46,205 and, after paying issuance costs of \$81,386, the net proceeds were \$4,279,819. As a result of this current refunding, the City reduced its total debt service requirements by \$236,053, which resulted in an economic gain (difference between the present value of the debt service requirements on the old and new debt) of \$217,264.

8. Retirement Plan

Plan Description

The City provides pension benefits for all of its eligible employees through a nontraditional, joint contributory, hybrid defined benefit plan in the state-wide Texas Municipal Retirement System (TMRS), an agent multiple-employer public employee retirement system. The plan provisions that have been adopted by the City are within the options available in the governing state statutes of TMRS.

TMRS issues a publicly available comprehensive annual financial report that includes financial statements and required supplementary information (RSI) for TMRS; the report also provides detailed explanations of the contributions, benefits and actuarial methods and assumptions used by the System. This report may be obtained by writing to TMRS, P.O. Box 149153, Austin, TX 78714-9153 or by calling 800-924-8677; in addition, the report is available on TMRS' website at www.TMRS.com.

8. Retirement Plan - continued

The plan provisions are adopted by the governing body of the City, within the options available in the state statutes governing TMRS. Plan provisions for the City were as follows:

Employee deposit rate	7.0%
Matching ratio (city to employee)	2 to 1
Years required for vesting	5
Service retirement eligibility (expressed as age/years of service)	60/5, 0/20
Updated service credit	0%
Annuity increase (to retirees)	0% of CPI

Contributions

Under the state law governing TMRS, the contribution rate for each city is determined annually by the actuary, using the Projected Unit Credit actuarial cost method. This rate consists of the normal cost contribution rate and the prior service cost contribution rate, which is calculated to be a level percent of payroll from year to year. The normal cost contribution rate finances the portion of an active member's projected benefit allocated annually; the prior service contribution rate amortizes the unfunded (over funded) actuarial liability (asset) over the applicable period for the City. Both the normal cost and prior service contribution rates include recognition of the projected impact of annually repeating benefits, such as Updated Service Credits and Annuity Increases.

The City contributes to the TMRS plan at an actuarially determined rate. Both the employees and the City make contributions monthly. Since the City needs to know its contribution rate in advance for budgetary purposes, there is a one-year delay between the actuarial valuation that serves as the basis for the rate and the calendar year when the rate goes into effect. The annual pension cost and net pension obligation (asset) and three-year trend information for the City are as follows:

Three Year Trend Information

Fiscal Year <u>Ending</u>	Annual Pension Cost (APC) <u>Cost (APC)</u>	Contributions Made <u>Made</u>	Net Pension Obligation <u>Obligation</u>
2011	\$ 127,984	127,984	-0-
2012	\$ 92,028	92,028	-0-
2013	\$ 92,962	92,962	-0-

The required contribution rates for fiscal year 2013 were determined as part of the December 31, 2010 and 2011 actuarial valuations. Additional information for the three most recent actuarial valuations, as of December 31, 2012 are as follows:

12/31/12	\$2,750	\$2,390	(360)	115%	\$2,398	(15.0%)

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future. Actuarially determined amounts are subject to continual revision as actual results are compared to past expectations and new estimates are made about the future.

8. Retirement Plan - continued

Actuarial valuations are based on the benefits provided under the terms of the substantive plan in effect at the time of each valuation, and reflect a long-term perspective. Consistent with that perspective, actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility to actuarial accrued liabilities and the actuarial value of assets. The schedule of funding progress, presented as required supplementary information to the financial statements provides multi-year trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability of benefits.

9. Litigation

From time to time, the City is involved in litigation in the ordinary course of business. City management considers the likelihood of any material liability resulting from this litigation to be remote.

10. Contingencies

The City participates in various state and federal grant programs and contracts which are subject to financial and compliance audits by the grantors or their representatives. Audits of these programs for the year ended September 30, 2013 have not been conducted. Accordingly, the City's compliance with applicable grant and contract requirements will be established at some future date. The City expects that costs disallowed by these various awarding agencies, if any, would be minimal.

11. Balances and Transfers/Payments Within the Reporting Entity

Receivables and Payables

Generally, outstanding balances between funds reported as "due to/from other funds" in the governmental fund financial statements include outstanding charges by one fund to another for services or goods, and other miscellaneous receivables/payables between funds. Activity between funds that are representative of lending/borrowing arrangements that are outstanding at the end of the fiscal year are described as "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). The following schedule reports receivables and payables within the reporting entity at year-end:

	<u>Receivable</u>	<u>Payable</u>
Debt Service Fund	\$	\$ 20,278
Proprietary Fund	20,278	400,000
General Fund	431,078	
Component units		31,078
	<u>\$ 451,356</u>	<u>\$ 451,356</u>

Transfers and Payments

Transfers and payments within the reporting entity are substantially for the purposes of funding capital projects and asset acquisitions, or maintaining debt service on a routine basis. Resources are accumulated in a fund to support and simplify the administration of various projects or programs.

11. Balances and Transfers/Payments Within the Reporting Entity – continued:

The government-wide statement of activities eliminates transfers reported within governmental activities. The following schedule reports transfers and payments within the reporting entity:

<u>Fund</u>	<u>Transfers In</u>	<u>Transfers Out</u>
General Fund	\$ 345,000	\$
Proprietary Fund		345,000

The above transfer provided the General Fund with supplementary revenue for the year.

12. Operating Leases

The City has entered into lease agreements for copier machines. Following is a summary of the annual minimum lease requirements under these agreements:

<u>Year ending 9/30</u>	<u>Annual lease requirement</u>
2014	8,472
2015	706
Total required	<u>\$ 9,178</u>

Lease expense for the year ending September 30, 2013 was \$58,673.

13. Economic Dependence

City operations are funded by taxes and revenues provided by the residents of the City of Celina, Texas. Accordingly, the City is economically dependent on the property values and local economy of City of Celina, Texas and the surrounding area.

14. Commitments

The fire station incurred a fire loss during 2013. The City is considering options to rebuild the fire station and purchased land during 2013 that will be used for the new fire department location. The City has engaged an architect to design the new fire station and will be considering options to build the new fire station in 2014.

15. New Governmental Accounting Standards Board Statements

The City implemented the provisions of Governmental Accounting Standards Board (GASB) Statement 61, *The Financial Reporting Entity: Omnibus an Amendment to GASB 14 and 34*; GASB Statement 62, *Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 20, 1989 FASB and AICPA Pronouncements*; GASB Statement 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*; and GASB Statement 65, *Items Previously Reported as Assets and Liabilities*. As a result of adopting these provisions, amounts previously reported as net assets are now reported as net position. In addition, amounts previously reported as deferred revenue, are now reported as deferred inflows of resources.

Upon disbursement under this Policy in respect of a Bond and to the extent of such payment, BAM shall become the owner of such Bond, any appurtenant coupon to such Bond and right to receipt of payment of principal of or interest on such Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under such Bond. Payment by BAM either to the Trustee or Paying Agent for the benefit of the Owners, or directly to the Owners, on account of any Nonpayment shall discharge the obligation of BAM under this Policy with respect to said Nonpayment.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent (as defined herein) are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity (unless BAM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration) and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment made to an Owner by or on behalf of the Issuer of principal or interest that is Due for Payment, which payment has been recovered from such Owner pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means delivery to BAM of a notice of claim and certificate, by certified mail, email or telecopy as set forth on the attached Schedule or other acceptable electronic delivery, in a form satisfactory to BAM, from and signed by an Owner, the Trustee or the Paying Agent, which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount, (d) payment instructions and (e) the date such claimed amount becomes or became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer, the Member or any other person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

BAM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee, the Paying Agent, the Member and the Issuer specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee, the Paying Agent, the Member or the Issuer (a) copies of all notices required to be delivered to BAM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to BAM and shall not be deemed received until received by both and (b) all payments required to be made by BAM under this Policy may be made directly by BAM or by the Insurer's Fiscal Agent on behalf of BAM. The Insurer's Fiscal Agent is the agent of BAM only, and the Insurer's Fiscal Agent shall in no event be liable to the Trustee, Paying Agent or any Owner for any act of the Insurer's Fiscal Agent or any failure of BAM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, BAM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to BAM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy. This Policy may not be canceled or revoked.

This Policy sets forth in full the undertaking of BAM and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW. THIS POLICY IS ISSUED WITHOUT CONTINGENT MUTUAL LIABILITY FOR ASSESSMENT.

In witness whereof, BUILD AMERICA MUTUAL ASSURANCE COMPANY has caused this Policy to be executed on its behalf by its Authorized Officer.

The Certificates shall bear interest on the unpaid principal amounts from the date of delivery to the initial purchaser at the rates per annum shown above in this Section (calculated on the basis of a 360-day year of twelve 30-day months), and such interest shall be payable on March 1 and September 1 of each year, commencing March 1, 2015, until maturity or prior redemption.

SECTION 3: Terms of Payment Paying Agent/Registrar. The principal of, premium, if any, and the interest on the Certificates, due and payable by reason of maturity, redemption, or otherwise, shall be payable only to the registered owners or holders of the Certificates (hereinafter called the "Holders") appearing on the registration and transfer books maintained by the Paying Agent/Registrar, and the payment thereof shall be in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, and shall be without exchange or collection charges to the Holders.

The selection and appointment of The Bank of New York Mellon Trust Company, N.A., Dallas, Texas, to serve as Paying Agent/Registrar for the Certificates is hereby approved and

confirmed. Books and records relating to the registration, payment, transfer and exchange of the Certificates (the "Security Register") shall at all times be kept and maintained on behalf of the City by the Paying Agent/Registrar, as provided herein and in accordance with the terms and provisions of a "Paying Agent/Registrar Agreement", substantially in the form attached hereto as **Exhibit A**, and such reasonable rules and regulations as the Paying Agent/Registrar and the City may prescribe. The Mayor and City Secretary are hereby authorized to execute and deliver such Paying Agent/Registrar Agreement in connection with the delivery of the Certificates. The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Certificates are paid and discharged, and any successor Paying Agent/Registrar shall be a commercial bank, trust company, financial institution or other entity qualified and authorized to serve in such capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Certificates, the City agrees to promptly cause a written notice thereof to be sent to each Holder by United States Mail, first class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Principal of and premium, if any, on the Certificates, shall be payable at the Stated Maturities or the redemption thereof only upon presentation and surrender of the Certificates to the Paying Agent/Registrar at its designated offices, initially in East Syracuse, New York, or, with respect to a successor Paying Agent/Registrar, at the designated offices of such successor (the "Designated Payment/Transfer Office"). Interest on the Certificates shall be paid to the Holders whose names appear in the Security Register at the close of business on the Record Date (the fifteenth day of the month next preceding each interest payment date) and shall be paid by the Paying Agent/Registrar (i) by check sent United States Mail, first class postage prepaid, to the address of the Holder recorded in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Holder. If the date for the payment of the principal of or interest on the Certificates shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION 4: Redemption.

(a) Optional Redemption. The Certificates maturing on and after September 1, 2025 shall be subject to redemption prior to maturity, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if in part by lot by the Paying Agent/Registrar), on September 1, 2024, or on any date thereafter, at the redemption price of par plus accrued interest to the date of redemption.

At least forty five (45) days prior to an optional redemption date for the Certificates (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the City shall notify the Paying Agent/Registrar of the decision to redeem Certificates, the principal amount of each Stated Maturity to be redeemed, and the date of redemption therefor.

(b) Selection of Certificates for Redemption. If less than all Outstanding Certificates of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall treat such Certificates as representing the number of Certificates Outstanding which is obtained by dividing the principal amount of such Certificates by \$5,000 and shall select the Certificates to be redeemed within such Stated Maturity by lot.

(c) Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Certificates, a notice of redemption shall be sent by United States mail, first class postage prepaid, in the name of the City and at the City's expense, to each Holder of a Certificate to be redeemed in whole or in part at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder.

All notices of redemption shall (i) specify the date of redemption for the Certificates, (ii) identify the Certificates to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Certificates, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, provided moneys sufficient for the payment of such Certificate (or the principal amount thereof to be redeemed) at the then applicable redemption price are held for the purpose of such payment by the Paying Agent/Registrar and (v) specify that payment of the redemption price for the Certificates, or the principal amount thereof to be redeemed, shall be made at the Designated Payment/Transfer Office of the Paying Agent/Registrar only upon presentation and surrender of the Certificates. If a Certificate is subject by its terms to prior redemption and has been called for redemption and notice of redemption has been duly given as hereinabove provided, such Certificate (or the principal amount thereof to be redeemed) shall become due and payable and interest thereon shall cease to accrue from and after the redemption date therefor.

(d) Conditional Notice of Redemption. With respect to any optional redemption of the Certificates, unless moneys sufficient to pay the principal of and premium, if any, and interest on the Certificates to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon the satisfaction of any prerequisites set forth in such notice of redemption; and, if sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Certificates and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Certificates have not been redeemed.

SECTION 5: Registration - Transfer - Exchange of Certificates - Predecessor Certificates. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each and every owner of the Certificates issued under and pursuant to the provisions of this Ordinance, or if appropriate, the nominee thereof. Any Certificate may be transferred or exchanged for Certificates of other authorized denominations

by the Holder, in person or by his duly authorized agent, upon surrender of such Certificate to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender of any Certificate (other than the single Initial Certificate(s) authorized in Section 8 hereof) for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Certificates of authorized denominations and having the same Stated Maturity and of a like aggregate principal amount as the Certificate or Certificates surrendered for transfer.

At the option of the Holder, Certificates (other than the single Initial Certificate(s) authorized in Section 8 hereof) may be exchanged for other Certificates of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Certificates surrendered for exchange, upon surrender of the Certificates to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Certificates are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Certificates to the Holder requesting the exchange.

All Certificates issued in any transfer or exchange of Certificates shall be delivered to the Holders at the Designated Payment/Transfer Office of the Paying Agent/Registrar or sent by United States mail, first class postage prepaid, to the Holders, and, upon the registration and delivery thereof, the same shall be the valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Certificates surrendered in such transfer or exchange.

All transfers or exchanges of Certificates pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Certificates cancelled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Certificates", evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the new Certificate or Certificates registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Certificates" shall include any mutilated, lost, destroyed or stolen Certificate for which a replacement Certificate has been issued, registered and delivered in lieu thereof pursuant to the provisions of Section 20 hereof and such new replacement Certificate shall be deemed to evidence the same obligation as the mutilated, lost, destroyed or stolen Certificate.

Neither the City nor the Paying Agent/Registrar shall be required to issue or transfer to an assignee of a Holder any Certificate called for redemption, in whole or in part, within 45 days of the date fixed for the redemption of such Certificate; provided, however, such limitation on transferability shall not be applicable to an exchange by the Holder of the unredeemed balance of a Certificate called for redemption in part.

SECTION 6: Book-Entry-Only Transfers and Transactions. Notwithstanding the provisions contained in Sections 3, 4 and 5 hereof relating to the payment, and transfer/exchange of the Certificates, the City hereby approves and authorizes the use of "Book-

Entry-Only" securities clearance, settlement and transfer system provided by The Depository Trust Company, a limited purpose trust company organized under the laws of the State of New York ("DTC"), in accordance with the operational arrangements referenced in the Blanket Issuer Letter of Representations by and between the City and DTC (the "Depository Agreement").

Pursuant to the Depository Agreement and the rules of DTC, the Certificates shall be deposited with DTC who shall hold said Certificates for its participants (the "DTC Participants"). While the Certificates are held by DTC under the Depository Agreement, the Holder of the Certificates on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Certificate (the "Beneficial Owners") being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Certificates or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general or the City decides to discontinue use of the system of book-entry transfers through DTC, the City covenants and agrees with the Holders of the Certificates to cause Certificates to be printed in definitive form and issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Certificates in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Certificates shall be made in accordance with the provisions of Sections 3, 4 and 5 hereof.

SECTION 7: Execution - Registration. The Certificates shall be executed on behalf of the City by the Mayor or Mayor Pro Tem under its seal reproduced or impressed thereon and countersigned by the City Secretary. The signature of said officers on the Certificates may be manual or facsimile. Certificates bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the Certificate Date shall be deemed to be duly executed on behalf of the City, notwithstanding that one or more of the individuals executing the same shall cease to be such officer at the time of delivery of the Certificates to the initial purchaser(s) and with respect to Certificates delivered in subsequent exchanges and transfers, all as authorized and provided in Texas Government Code Chapter 1201, as amended.

No Certificate shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Certificate either a certificate of registration substantially in the form provided in Section 9(c), manually executed by the Comptroller of Public Accounts of the State of Texas, or his duly authorized agent, or a certificate of registration substantially in the form provided in Section 9(d), manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate duly signed upon any Certificate shall be conclusive evidence, and the only evidence, that such Certificate has been duly certified, registered and delivered.

SECTION 8: Initial Certificate(s). The Certificates herein authorized shall be initially issued either (i) as a single fully registered certificate in the total principal amount stated in Section 1 hereof with principal installments to become due and payable as provided in Section 2 hereof and numbered T-1, or (ii) as multiple fully registered certificates with one certificate for each year of maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (hereinafter called the "Initial Certificate(s)") and, in either case, the Initial Certificate(s) shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Certificate(s) shall be the Certificate(s) submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial

purchaser(s). Any time after the delivery of the Initial Certificate(s), the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Certificate(s) delivered hereunder and exchange therefor definitive Certificates of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 9: Forms.

(a) Forms Generally. The Certificates, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Certificates, shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including insurance legends in the event the Certificates, or any maturities thereof, are purchased with insurance and any reproduction of an opinion of counsel) thereon as may, consistently herewith, be established by the City or determined by the officers executing such Certificates as evidenced by their execution. Any portion of the text of any Certificates may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Certificate.

The definitive Certificates and the Initial Certificate(s) shall be printed, lithographed, engraved, typewritten, photocopied or otherwise reproduced in any other similar manner, all as determined by the officers executing such Certificates as evidenced by their execution.

The Certificates maturing on and after September 1, 2025 may be redeemed prior to their Stated Maturities, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if in part by lot by the Paying Agent/Registrar), on September 1, 2024 or on any date thereafter, at the redemption price of par, together with accrued interest to the date of redemption.

At least thirty (30) days prior to a redemption date, the City shall cause a written notice of such redemption to be sent by United States Mail, first class postage prepaid, to the registered owners of each Certificate to be redeemed at the address shown on the Security Register and subject to the terms and provisions relating thereto contained in the Ordinance. If a Certificate (or any portion of its principal sum) shall have been duly called for redemption and notice of such redemption duly given, then upon the redemption date such Certificate (or the portion of its principal sum to be redeemed) shall become due and payable, and, if moneys for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable from and after the redemption date on the principal amount redeemed.

In the event a portion of the principal amount of a Certificate is to be redeemed and the registered owner is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of such Certificate to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Certificate or Certificates of like maturity and interest rate in any authorized denominations provided by the Ordinance for the then unredeemed balance of the principal sum thereof will be issued to the registered owner, without charge. If a Certificate is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Certificate to an assignee of the registered owner within forty-five (45) days of the redemption date therefor; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Certificate redeemed in part.

With respect to any optional redemption of the Certificates, unless moneys sufficient to pay the principal of and premium, if any, and interest on the Certificates to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon the satisfaction of any prerequisites set forth in such notice of redemption; and, if sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Certificates and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Certificates have not been redeemed.

The Certificates are payable from the proceeds of an ad valorem tax levied, within the limitations prescribed by law, upon all taxable property in the City and from a limited pledge of the Net Revenues of the City's combined Waterworks and Sewer System (the "System"), such pledge being limited to an amount of \$1,000 and being junior and subordinate to the lien on and pledge of such Net Revenues securing the payment of the Prior Lien Obligations (identified and defined in the Ordinance) now outstanding and hereafter issued by the City. In the Ordinance, the City reserves and retains the right to issue Prior Lien Obligations without limitation as to principal amount but subject to any applicable terms, conditions or restrictions under law or otherwise, as well as the right to issue additional obligations payable from the same sources as the Certificates and, together with the Certificates, equally and ratably secured by a parity lien on and pledge of the Net Revenues of the System.

Reference is hereby made to the Ordinance, a copy of which is on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all the provisions of which the owner or holder of this Certificate by the acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the tax levied for the payment of the Certificates; the Net Revenues pledged to the payment of the principal of and interest on the Certificates; the nature and extent and manner of enforcement of the pledge; the terms and

conditions relating to the transfer or exchange of this Certificate; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which the tax levy and the pledges, charges and covenants made therein may be discharged at or prior to the maturity of this Certificate, and this Certificate deemed to be no longer Outstanding thereunder; and for the other terms and provisions contained therein. Capitalized terms used herein and not otherwise defined have the meanings assigned in the Ordinance.

This Certificate, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the registered owner hereof, or his duly authorized agent. When a transfer on the Security Register occurs, one or more new fully registered Certificates of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, shall treat the registered owner whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Certificate as the owner entitled to payment of principal hereof at its Stated Maturity or upon its prior redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of nonpayment of interest on a scheduled payment date and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, recited, represented and declared that the City is a body corporate and political subdivision duly organized and legally existing under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Certificates is duly authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Certificates to render the same lawful and valid obligations of the City have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, and the Ordinance; that the Certificates do not exceed any Constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Certificates as aforesated. In case any provision in this Certificate shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The terms and provisions of this Certificate and the Ordinance shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Certificate to be duly executed under the official seal of the City as of the Certificate Date.

Interest is payable to the registered owner of this Certificate whose name appears on the "Security Register" maintained by the Paying Agent/Registrar at the close of business on the "Record Date", which is the fifteenth day of the month next preceding each interest payment date hereof and interest shall be paid by the Paying Agent/Registrar by check sent United States Mail, first class postage prepaid, to the address of the registered owner recorded in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. If the date for the payment of the principal or interest on the Certificates shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due. All payments of principal of, premium, if any, and interest on this Certificate shall be without exchange or collection charges to the owner hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

SECTION 10: Definitions. For purposes of this Ordinance and for clarity with respect to the issuance of the Certificates herein authorized, and the levy of taxes and appropriation of Net Revenues therefor, the following words or terms, whenever the same appears herein without qualifying language, are defined to mean as follows:

(a) The term "Additional Obligations" shall mean tax and revenue obligations hereafter issued which by their terms are payable from ad valorem taxes and additionally payable from and secured by a parity lien on and pledge of the Net Revenues of the System of equal rank and dignity with the lien and pledge securing the payment of the Certificates.

(b) The term "Certificates" shall mean the \$5,400,000 "CITY OF CELINA, TEXAS, TAX AND WATERWORKS AND SEWER SYSTEM (LIMITED PLEDGE) REVENUE CERTIFICATES OF OBLIGATION, SERIES 2014" authorized by this Ordinance.

(c) The term "Certificate Fund" shall mean the special Fund created and established under the provisions of Section 11 of this Ordinance.

(d) The term "Collection Date" shall mean, when reference is being made to the levy and collection of annual ad valorem taxes, the date the annual ad valorem taxes levied each year by the City become delinquent.

(e) The term "Fiscal Year" shall mean the annual financial accounting period used with respect to the operations of the System now ending on September 30th of each year; provided, however, the City Council may change, by ordinance duly passed, such annual financial accounting period to end on another date if such change is found and determined to be necessary for budgetary or other fiscal purposes.

(f) The term "Government Securities" shall mean (i) direct noncallable obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, (ii) noncallable obligations of an agency or instrumentality of the United States, including obligations unconditionally guaranteed or insured by the agency or instrumentality and, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, (iii) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent and (iv) any other then authorized securities or obligations that may be used to defease obligations such as the Certificates under the then applicable laws of the State of Texas.

(g) The term "Gross Revenues" shall mean, with respect to the System and for any defined period, all income and revenues derived from the operation and ownership of the System, excluding, however, meter deposits, gifts, grants in aid of construction and similar kinds of receipts and moneys restricted as to use or expenditure.

(h) The term "Net Revenues" shall mean, with respect to the System and for any defined period, the Gross Revenues of the System after deducting the System's Operating and Maintenance Expenses.

(i) The term "Operating and Maintenance Expenses" shall mean, for any defined period, all current expenses and costs of operating and maintaining the System, including all salaries, labor, materials and repairs and extensions necessary to render efficient service; provided, however, that only such repairs and extensions, as in the judgment of the City Council, reasonably and fairly exercised, are necessary to keep the System in operation and render adequate service to the City and the inhabitants thereof, or such as might be necessary to meet some physical accident or condition which would otherwise impair the security of any Certificates or obligations payable from and secured by a lien on the Net Revenues of the System, shall be deducted in determining "Net Revenues". Depreciation and payments into and out of the funds maintained for the payment of the Prior Lien Obligations and similar funds maintained for the payment of obligations payable from and secured by a lien on and pledge of the Net Revenues shall never be considered as Operating and Maintenance Expenses.

(j) The term "Outstanding" when used in this Ordinance with respect to Certificates means, as of the date of determination, all Certificates theretofore issued and delivered under this Ordinance, except:

(1) those Certificates cancelled by the Paying Agent/Registrar or delivered to the Paying Agent/Registrar for cancellation;

(2) those Certificates for which payment has been duly provided by the City in accordance with the provisions of Section 21 hereof; and

(3) those Certificates that have been mutilated, destroyed, lost, or stolen and replacement Certificates have been registered and delivered in lieu thereof as provided in Section 20 hereof.

(k) The term "Prior Lien Obligations" shall mean (A) all revenue bonds or other obligations hereafter issued, payable solely from and secured only by a lien on and pledge of the Net Revenues of the System, and (B) obligations now outstanding and hereafter issued which by the terms of this Ordinance and the ordinances authorizing their issuance have a prior right and claim on the Net Revenues of the System to the claim and right securing the payment of the Certificates, including, but not limited to, the outstanding

(1) "City of Celina, Texas, Tax and Waterworks and Sewer System Surplus Revenue Certificates of Obligation, Series 2004", dated October 1, 2004; and

(2) "City of Celina, Texas, Tax and Waterworks and Sewer System Revenue Certificates of Obligation, Series 2007", dated September 1, 2007.

(l) The term "System" shall mean all plants, properties and facilities owned, operated and maintained by the City for the supply, storage and distribution of treated water and the collection, treatment and disposal of water-carried wastes, together with all future improvements, extensions, enlargements and additions thereto and replacements thereof.

SECTION 11: Certificate Fund. For the purpose of paying the interest on and to provide a sinking fund for the payment, redemption and retirement of the Certificates, there shall be and is hereby created a special account or fund on the books and records of the City known as the "SPECIAL SERIES 2014 TAX AND REVENUE CERTIFICATE OF OBLIGATION FUND", and all moneys deposited to the credit of such Fund shall be kept and maintained in a special banking account at the City's depository bank. The Mayor, Mayor Pro Tem, City Manager, Director of Finance and City Secretary, individually or collectively, of the City are hereby authorized and directed to make withdrawals from said Fund sufficient to pay the principal of and interest on the Certificates as the same become due and payable, and, shall cause to be transferred to the Paying Agent/Registrar from moneys on deposit in the Certificate Fund an amount sufficient to pay the amount of principal and/or interest falling due on the Certificates, such transfer of funds to the Paying Agent/Registrar to be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar on or before the last business day next preceding each interest and principal payment date for the Certificates.

Pending the transfer of funds to the Paying Agent/Registrar, money in the Certificate Fund may, at the option of the City, be invested in obligations identified in, and in accordance with the provisions of the "Public Funds Investment Act" (Texas Government Code, Chapter 2256, as amended) relating to the investment of "bond proceeds"; provided that all such

investments shall be made in such a manner that the money required to be expended from said Fund will be available at the proper time or times. All interest and income derived from deposits and investments in said Certificate Fund shall be credited to, and any losses debited to, the said Certificate Fund. All such investments shall be sold promptly when necessary to prevent any default in connection with the Certificates.

SECTION 12: Tax Levy. To provide for the payment of the "Debt Service Requirements" on the Certificates being (i) the interest on said Certificates and (ii) a sinking fund for their payment at maturity or redemption or a sinking fund of 2% (whichever amount shall be the greater), there shall be and there is hereby levied a sufficient tax on each one hundred dollars' valuation of taxable property in said City, within the limitations prescribed by law, adequate to pay such Debt Service Requirements while the Certificates remain Outstanding, full allowance being made for delinquencies and costs of collection; and said tax shall be assessed and collected each year and applied to the payment of the Debt Service Requirements, and the same shall not be diverted to any other purpose. The taxes so levied and collected shall be paid into the Certificate Fund. The City Council hereby declares its purpose and intent to provide and levy a tax legally and fully sufficient to pay the said Debt Service Requirements, it having been determined that the existing and available taxing authority of the City for such purpose is adequate to permit a legally sufficient tax in consideration of all other outstanding indebtedness.

The amount of taxes to be provided annually for the payment of the principal of and interest on the Certificates shall be determined and accomplished in the following manner:

(a) Prior to the date the City Council establishes the annual tax rate and passes an ordinance levying ad valorem taxes each year, the City Council shall determine:

(1) The amount on deposit in the Certificate Fund after (a) deducting therefrom the total amount of Debt Service Requirements to become due on Certificates prior to the Collection Date for the ad valorem taxes to be levied and (b) adding thereto the amount of the Net Revenues of the System, together with any other lawfully available revenues of the City, appropriated and allocated to pay such Debt Service Requirements prior to the Collection Date for the ad valorem taxes to be levied.

(2) The amount of Net Revenues of the System, together with any other lawfully available revenues of the City, appropriated and to be set aside for the payment of the Debt Service Requirements on the Certificates between the Collection Date for the taxes then to be levied and the Collection Date for the taxes to be levied during the next succeeding calendar year.

(3) The amount of Debt Service Requirements to become due and payable on the Certificates (or a sinking fund of 2% if greater than the amount due and payable on the Certificates) between the Collection Date for the taxes then to be levied and the Collection Date for the taxes to be levied during the next succeeding calendar year.

(b) The amount of taxes to be levied annually each year to pay the Debt Service Requirements on the Certificates shall be the amount established in paragraph (3) above less the sum total of the amounts established in paragraphs (1) and (2), after taking into consideration delinquencies and costs of collecting such annual taxes.

Any surplus proceeds from the sale of the Certificates not expended for authorized purposes shall be deposited in the Certificate Fund, and such amounts so deposited shall reduce the sums otherwise required to be deposited in said Fund from ad valorem taxes.

SECTION 13: Limited Pledge of Revenues. The City hereby covenants and agrees that, subject to the prior lien on and pledge of the Net Revenues of the System to the payment and security of Prior Lien Obligations, the Net Revenues of the System in an amount equal to \$1,000 are hereby irrevocably pledged to the payment of the principal of and interest on the Certificates, and the limited pledge of \$1,000 of the Net Revenues of the System herein made for the payment of the Certificates shall constitute a lien on the Net Revenues of the System (until such time as the City shall pay all of such \$1,000, after which time the pledge shall cease) in accordance with the terms and provisions hereof. Furthermore, such lien on and pledge of the Net Revenues securing the payment of the Certificates shall be valid and binding and fully perfected from and after the date of adoption of this Ordinance without physical delivery or transfer or transfer of control of the Net Revenues, the filing of this Ordinance or any other act; all as provided in Texas Government Code, Chapter 1208, as amended ("Chapter 1208").

Chapter 1208 applies to the issuance of the Certificates and the pledge of the Net Revenues of the System granted by the City under this Section 13, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Certificates are Outstanding such that the pledge of the Net Revenues of the System granted by the City under this Section 13 is to be subject to the filing requirements of the Texas Business and Commerce Code, Chapter 9, as amended, then in order to preserve to the registered owners of the Certificates the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of the Texas Business and Commerce Code, Chapter 9, as amended, and enable a filing to perfect the security interest in said pledge to occur.

SECTION 14: System Fund. The City covenants and agrees that all Gross Revenues (excluding earnings from the investment of money held in any special funds or accounts created for the payment and security of the Prior Lien Obligations) shall be deposited as collected into a fund maintained at an official depository of the City and known on the books of the City as the "System Fund" (hereinafter called the "System Fund"). All moneys deposited to the credit of the System Fund shall be allocated, dedicated and disbursed to the extent required for the following purposes and in the order of priority shown, to wit:

First: To the payment of all necessary and reasonable Operating and Maintenance Expenses of the System as defined herein or required by statute to be a first charge on and claim against the revenues thereof.

Second: To the payment of all amounts required to be deposited in the special Funds created and established for the payment, security and benefit of Prior Lien Obligations in accordance with the terms and provisions of the ordinances authorizing the issuance of Prior Lien Obligations.

Third: To the payment, equally and ratably, of the amounts pledged to the payment of the Certificates and Additional Obligations, if any.

Any Net Revenues remaining in the System Fund after satisfying the foregoing payments, or making adequate and sufficient provision for the payment thereof, may be appropriated and used for any other City purpose now or hereafter permitted by law.

SECTION 15: Deposits to Certificate Fund. Subject to the provisions of Section 13 hereof, the City hereby covenants and agrees to cause to be deposited in the Certificate Fund from the pledged Net Revenues of the System in the System Fund, the amount of Net Revenues of the System pledged to the payment of the Certificates.

The City covenants and agrees that the amount of pledged Net Revenues of the System (\$1,000), together with other lawfully available revenues appropriated by the City for payment of the debt service requirements on the Certificates and ad valorem taxes levied, collected, and deposited in the Certificate Fund for and on behalf of the Certificates, will be an amount equal to one hundred percent (100%) of the amount required to fully pay the interest and principal due and payable on the Certificates. In addition, any surplus proceeds from the sale of the Certificates not expended for authorized purposes shall be deposited in the Certificate Fund, and such amounts so deposited shall reduce the sums otherwise required to be deposited in said Fund from ad valorem taxes and the Net Revenues of the System.

SECTION 16: Security of Funds. All moneys on deposit in the Funds for which this Ordinance makes provision (except any portion thereof as may be at any time properly invested) shall be secured in the manner and to the fullest extent required by the laws of Texas for the security of public funds, and moneys on deposit in such Funds shall be used only for the purposes permitted by this Ordinance.

SECTION 17: Special Covenants. The City hereby further covenants as follows:

(a) It has the lawful power to pledge the Net Revenues of the System to the payment of the Certificates in the manner herein contemplated and has lawfully exercised such power under the Constitution and laws of the State of Texas, including said power existing under Texas Government Code, Chapter 1502, as amended, and Texas Local Government Code, Subchapter C of Chapter 271, as amended.

(b) Other than for the payment of the Prior Lien Obligations and the Certificates, the Net Revenues of the System have not in any manner been pledged to the payment of any debt or obligation of the City or of the System.

SECTION 18: Issuance of Prior Lien Obligations and Additional Parity Obligations. The City hereby expressly reserves the right to hereafter issue Prior Lien Obligations, without limitation as to principal amount but subject to any terms, conditions or restrictions applicable thereto under law or otherwise, payable, in whole or in part, from the Net Revenues (without impairment of the obligation of contract with the Holders of the Certificates) upon such terms and conditions as the City Council may determine. Additionally, the City reserves the right to issue obligations payable, in whole or in part, from the Net Revenues of the System and, to the extent provided, secured by a lien on and pledge of the Net Revenues of equal rank and dignity with the lien and pledge securing the payment of the Certificates.

SECTION 19: Application of Prior Lien Obligations Covenants and Agreements. It is the intention of this governing body and accordingly hereby recognized and stipulated that the provisions, agreements and covenants contained herein bearing upon the management and operations of the System, and the administering and application of revenues derived from the operation thereof, shall to the extent possible be harmonized with like provisions, agreements and covenants contained in the ordinances authorizing the issuance of the Prior Lien Obligations, and to the extent of any irreconcilable conflict between the provisions contained herein and in the ordinances authorizing the issuance of the Prior Lien Obligations, the provisions, agreements and covenants contained therein shall prevail to the extent of such

conflict and be applicable to this Ordinance but in all respects subject to the priority of rights and benefits, if any, conferred thereby to the holders of the Prior Lien Obligations.

SECTION 20: Mutilated - Destroyed - Lost and Stolen Certificates. In case any Certificate shall be mutilated, or destroyed, lost or stolen, the Paying Agent/Registrar may execute and deliver a replacement Certificate of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Certificate, or in lieu of and in substitution for such destroyed, lost or stolen Certificate, only upon the approval of the City and after (i) the filing by the Holder thereof with the Paying Agent/Registrar of evidence satisfactory to the Paying Agent/Registrar of the destruction, loss or theft of such Certificate, and of the authenticity of the ownership thereof and (ii) the furnishing to the Paying Agent/Registrar of indemnification in an amount satisfactory to hold the City and the Paying Agent/Registrar harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Certificate shall be borne by the Holder of the Certificate mutilated, or destroyed, lost or stolen.

Every replacement Certificate issued pursuant to this Section shall be a valid and binding obligation, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Certificates; notwithstanding the enforceability of payment by anyone of the destroyed, lost, or stolen Certificates.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Certificates.

SECTION 21: Satisfaction of Obligation of City. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Certificates, at the times and in the manner stipulated in this Ordinance, then the pledge of taxes levied under this Ordinance and the Net Revenues of the System (to the extent such pledge of Net Revenues shall not have been discharged or terminated by prior payment of principal of or interest on the Certificates) and all covenants, agreements, and other obligations of the City to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Certificates or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Certificates or the principal amount(s) thereof at maturity or the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Certificates, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. The City covenants that no deposit of moneys or Government Securities will be made under this Section and no use made of any such deposit which would cause the Certificates to be treated as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Securities held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Certificates, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Certificates and remaining unclaimed for a period of three (3) years after the Stated Maturity, or applicable redemption date, of the Certificates such moneys were deposited and are held in trust to pay shall upon the request of the City be remitted to the City against a written receipt therefor. Notwithstanding the above and foregoing, any remittance of funds from the Paying Agent/Registrar to the City shall be subject to any applicable unclaimed property laws of the State of Texas.

SECTION 22: Ordinance a Contract - Amendments. This Ordinance shall constitute a contract with the Holders from time to time, be binding on the City, and shall not be amended or repealed by the City while any Certificates remain Outstanding except as permitted in this Section and in Section 36 hereof. The City may, without the consent of or notice to any Holders, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the City may, with the consent of Holders holding a majority in aggregate principal amount of the Certificates then Outstanding, amend, add to, or rescind any of the provisions of this Ordinance; provided that, without the consent of all Holders of Outstanding Certificates, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of, premium, if any, and interest on the Certificates, reduce the principal amount thereof, the redemption price or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Certificates, (2) give any preference to any Certificate over any other Certificate, or (3) reduce the aggregate principal amount of Certificates required to be held by Holders for consent to any such amendment, addition, or rescission.

SECTION 23: Covenants to Maintain Tax-Exempt Status.

(a) **Definitions.** When used in this Section, the following terms have the following meanings:

"Closing Date" means the date on which the Certificates are first authenticated and delivered to the initial purchasers against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in Section 1.148 1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in Section 1.148 1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148 1(c) of the Regulations, of the Certificates.

"Investment" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Nonpurpose Investment" means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Certificates are invested and which is not acquired to carry out the governmental purposes of the Certificates.

"*Rebate Amount*" has the meaning set forth in Section 1.148 1(b) of the Regulations.

"*Regulations*" means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Certificates. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

"*Yield*" of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Certificates has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Certificate to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Certificate, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Certificates:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Certificates, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Certificates or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Certificates to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to

such person or entity under a take or pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Certificates directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Certificates.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Certificates to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038 G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Certificate is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Certificates with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Certificates until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Certificates by the Underwriters and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States from the construction fund, the general fund, or other appropriate fund or, if permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the Certificate Fund, the amount that when added to the future value of previous rebate payments made for the Certificates equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case

of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148 3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Certificates, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Certificates not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Director of Finance and City Secretary, individually or collectively, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Certificates, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

SECTION 24: Sale of Certificates – Execution of Purchase Agreement - Official Statement Approval. The Certificates authorized by this Ordinance have been and are hereby sold to BOSC, Inc. (A Subsidiary of BOK Financial Corporation) (herein referred to as the "Purchasers") in accordance with the Purchase Agreement dated May 13, 2014 (the "Purchase Agreement"), attached hereto as **Exhibit B** and incorporated herein by reference as a part of this Ordinance for all purposes. The Mayor or Mayor Pro Tem is hereby authorized and directed to execute the Purchase Agreement for and on behalf of the City and as the act and deed of this City Council, and in regard to the approval and execution of the Purchase Agreement, the City Council hereby finds, determines and declares that the terms of the sale are in the best interests of the City and the representations, warranties and agreements of the City contained therein are true and correct in all material respects and shall be honored and performed by the City.

The use of the Preliminary Official Statement by the Underwriters in connection with the public offering and sale of the Certificates is hereby ratified, confirmed and approved in all respects. The final Official Statement which reflects the terms of sale (together with such changes approved by the Mayor, Mayor Pro Tem, City Manager, Director of Finance and City Secretary, any one or more of said officials), shall be and is hereby in all respects approved and the Underwriters are hereby authorized to use and distribute said final Official Statement, dated May 13, 2014, in the reoffering, sale and delivery of the Certificates to the public. The Mayor or Mayor Pro Tem and City Secretary are further authorized to deliver for and on behalf of the City copies of said Official Statement in final form as may be required by the Underwriters, and such

final Official Statement in the form and content authorized to be delivered by said officials shall be deemed to be approved by the City Council and constitute the Official Statement authorized for distribution and use by the Underwriters.

SECTION 25: Proceeds of Sale. The proceeds of sale of the Certificates, excluding amounts to pay costs of issuance, shall be deposited in a construction fund maintained at a depository bank of the City. Pending expenditure for authorized projects and purposes, such proceeds of sale may be invested in authorized investments in accordance with the provisions of Texas Government Code, Chapter 2256, as amended, including guaranteed investment contracts permitted by Texas Government Code, Section 2256.015 et seq., as amended, and the City's investment policies and guidelines, and any investment earnings realized may be expended for such authorized projects and purposes or deposited in the Certificate Fund as shall be determined by the City Council. Any surplus proceeds of sale of the Certificates, including investment earnings, remaining after completion of all authorized projects or purposes shall be deposited to the credit of the Certificate Fund.

SECTION 26: Control and Custody of Certificates. The Mayor of the City shall be and is hereby authorized to take and have charge of all necessary orders and records pending the sale of the Certificates, the investigation by the Attorney General of the State of Texas, including the printing and supply of definitive Certificates, and shall take and have charge and control of the Initial Certificate(s) pending the approval thereof by the Attorney General, the registration thereof by the Comptroller of Public Accounts and the delivery thereof to the Underwriters.

SECTION 27: Notices to Holders Waiver. Wherever this Ordinance provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States Mail, first class postage prepaid, to the address of each Holder appearing in the Security Register at the close of business on the business day next preceding the mailing of such notice.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Certificates. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 28: Cancellation. All Certificates surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly cancelled by it and, if surrendered to the City, shall be delivered to the Paying Agent/Registrar and, if not already cancelled, shall be promptly cancelled by the Paying Agent/Registrar. The City may at any time deliver to the Paying Agent/Registrar for cancellation any Certificates previously certified or registered and delivered which the City may have acquired in any manner whatsoever, and all Certificates so delivered shall be promptly cancelled by the Paying Agent/Registrar. All cancelled Certificates held by the Paying Agent/Registrar shall be returned to the City.

SECTION 29: Bond Counsel's Opinion. The Underwriters' obligation to accept delivery of the Certificates is subject to being furnished a final opinion of Fulbright & Jaworski LLP, Dallas, Texas, approving the Certificates as to their validity, said opinion to be dated and delivered as of the date of delivery and payment for the Certificates. An executed counterpart of

said opinion shall accompany the global certificates deposited with DTC or a reproduction thereof shall be printed on the definitive Certificates in the event the book-entry-only system shall be discontinued.

SECTION 30: CUSIP Numbers. CUSIP numbers may be printed or typed on the definitive Certificates. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Certificates shall be of no significance or effect as regards the legality thereof and neither the City nor attorneys approving the Certificates as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Certificates.

SECTION 31: Benefits of Ordinance. Nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon any person other than the City, the Paying Agent/Registrar and the Holders, any right, remedy, or claim, legal or equitable, under or by reason of this Ordinance or any provision hereof, and this Ordinance and all its provisions is intended to be and shall be for the sole and exclusive benefit of the City, the Paying Agent/Registrar and the Holders.

SECTION 32: Inconsistent Provisions. All ordinances, orders or resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict, and the provisions of this Ordinance shall be and remain controlling as to the matters contained herein.

SECTION 33: Governing Law. This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 34: Effect of Headings. The Section headings herein are for convenience of reference only and shall not affect the construction hereof.

“MSRB” means the Municipal Securities Rulemaking Board.

“Rule” means SEC Rule 15c2-12, as amended from time to time.

Any financial statements so provided shall be prepared in accordance with the accounting principles described in **Exhibit C** hereto, or such other accounting principles as the City may be required to employ from time to time pursuant to

If the City changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document available to the public on the MSRB's Internet Web site or filed with the SEC.

(c) Notice of Certain Events. The City shall provide notice of any of the following events with respect to the Certificates to the MSRB in a timely manner and not more than 10 business days after occurrence of the event:

- (5) Substitution of credit or liquidity providers, or their failure to perform;
- (6) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Certificates, or other material events affecting the tax status of the Certificates;

- (14) Appointment of a successor or additional trustee or the change of name of a trustee, if material.

For these purposes, any event described in the immediately preceding subsection (c)12 is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the

entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

The City shall notify the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with subsection (b) of this Section by the time required by such Section.

(d) Filings with the MSRB. All financial information, operating data, financial statements, notices and other documents provided to the MSRB in accordance with this Section shall be provided in an electronic format prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB.

(e) Limitations, Disclaimers and Amendments. The City shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the City remains an "obligated person" with respect to the Certificates within the meaning of the Rule, except that the City in any event will give the notice required by subsection (c) of this Section of any Certificate calls and defeasance that cause the City to be no longer such an "obligated person."

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Certificates; and, nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section. Except as expressly provided within this Section, the City does not undertake to provide any other information, whether or not it may be relevant or material to a complete presentation of the City's financial results, condition, or prospects; nor does the City undertake to update any information provided in accordance with this Section or otherwise. Furthermore, the City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Certificates at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY CERTIFICATE OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

Notwithstanding anything herein to the contrary, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Certificates in the primary offering of

the Certificates in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Certificates consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Certificates. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent underwriters of the initial public offering of the Certificates from lawfully purchasing or selling Certificates in such offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided pursuant to subsection (b) of this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

SECTION 37: Severability. If any provision of this Ordinance or the application thereof to any circumstance shall be held to be invalid, the remainder of this Ordinance and the application thereof to other circumstances shall nevertheless be valid, and the City Council hereby declares that this Ordinance would have been enacted without such invalid provision.

SECTION 38: Further Procedures. Any one or more of the Mayor, Mayor Pro Tem, City Manager, Director of Finance and City Secretary are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and on behalf of the City all agreements, instruments, certificates or other documents, whether mentioned herein or not, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance and the issuance of the Certificates. In addition, prior to the initial delivery of the Certificates, the Mayor, Mayor Pro Tem, City Manager, Director of Finance and City Secretary or Bond Counsel to the City are each hereby authorized and directed to approve any changes or corrections to this Ordinance or to any of the documents authorized and approved by this Ordinance: (i) in order to cure any ambiguity, formal defect or omission in the Ordinance or such other document; or (ii) as requested by the Attorney General of the State of Texas or his representative to obtain the approval of the Certificates by the Attorney General and if such officer or counsel determines that such changes are consistent with the intent and purpose of the Ordinance, which determination shall be final. In the event that any officer of the City whose signature shall appear on any document shall cease to be such officer before the delivery of such document, such signature nevertheless shall be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 39: Municipal Bond Insurance. The payment of the debt service requirements on the Certificates is insured by Build America Mutual Assurance Company ("BAM") pursuant to a municipal bond insurance policy issued by BAM. In accordance with the terms and conditions applicable to insurance provided by BAM, the City covenants and agrees that:

1. Notice and Other Information to be given to BAM. The City will provide BAM with all notices and other information it is obligated to provide (i) under Section 36 hereof and (ii) to the holders of the Certificates or the Paying Agent/Registrar under the documents to be executed and delivered in connection with the issuance and sale of the Certificates (collectively, the "Security Documents").

The notice address of BAM is: Build America Mutual Assurance Company, 1 World Financial Center, 27th Floor, 200 Liberty Street, New York, NY 10281, Attention: Surveillance, Re: Policy No. _____, Telephone: (212) 235-2500, Telecopier: (212) 235-1542. 2. Amendments, Supplements and Consents.

- a. *Amendments.* Wherever any Security Document requires the consent of Certificateholders, BAM's consent shall also be required. In addition, any amendment, supplement or modification to the Security Documents that adversely affect the rights or interests of BAM shall be subject to the prior written consent of BAM.
- b. *Consent of BAM Upon Default.* Anything in any Security Document to the contrary notwithstanding, upon the occurrence and continuance of a default or an event of default, BAM shall be deemed to be the sole holder of the Certificates for all purposes and shall be entitled to control and direct the enforcement of all rights and remedies granted to the holders of the Certificates or the trustee, paying agent, registrar, or similar agent (the "Trustee") for the benefit of such holders under any Security Document. The Trustee may not waive any default or event of default or accelerate the Insured Obligations without BAM's written consent.

3. BAM as Third Party Beneficiary. BAM is explicitly recognized as and shall be deemed to be a third party beneficiary of the Security Documents and may enforce any right, remedy or claim conferred, given or granted thereunder.

4. Policy Payments.

- a. In the event that principal and/or interest due on the Certificates shall be paid by BAM pursuant to the Policy, the Certificates shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the City, the assignment and pledge of the trust estate and all covenants, agreements and other obligations of the City to the registered owners shall continue to exist and shall run to the benefit of BAM, and BAM shall be subrogated to the rights of such registered owners including, without limitation, any rights that such owners may have in respect of securities law violations arising from the offer and sale of the Certificates.
- b. Irrespective of whether any such assignment is executed and delivered, the City and the Trustee shall agree for the benefit of BAM that:
 - i. They recognize that to the extent BAM makes payments directly or indirectly (e.g., by paying through the Trustee), on account of principal or interest on the Certificates, BAM will be subrogated to the rights of such holders to receive the amount of such principal and interest from the City, with interest thereon, as provided and solely from the sources stated in the Security Document and the Certificates; and

ii. They will accordingly pay to BAM the amount of such principal and interest, with interest thereon, but only from the sources and in the manner provided in the Security Documents and the Certificates for the payment of principal of and interest on the Certificates to holders, and will otherwise treat BAM as the owner of such rights to the amount of such principal and interest.

c. *Special Provisions for Insurer Default:* If an Insurer Default shall occur and be continuing, then, notwithstanding anything in paragraph b above to the contrary, (1) if at any time prior to or following an Insurer Default, BAM has made payment under the Policy, to the extent of such payment BAM shall be treated like any other holder of the Certificates for all purposes, including giving of consents, and (2) if BAM has not made any payment under the Policy, BAM shall have no further consent rights until the particular Insurer Default is no longer continuing or BAM makes a payment under the Policy, in which event, the foregoing clause (1) shall control. For purposes of this paragraph (c), "Insurer Default" means: (A) BAM has failed to make any payment under the Policy when due and owing in accordance with its terms; or (B) BAM shall (i) voluntarily commence any proceeding or file any petition seeking relief under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or similar law, (ii) consent to the institution of or fail to controvert in a timely and appropriate manner, any such proceeding or the filing of any such petition, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator or similar official for such party or for a substantial part of its property, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors, or (vi) take action for the purpose of effecting any of the foregoing; or (C) any state or federal agency or instrumentality shall order the suspension of payments on the Policy or shall obtain an order or grant approval for the rehabilitation, liquidation, conservation or dissolution of BAM (including without limitation under the New York Insurance Law).

Section 3.02 Payment Dates. The Issuer hereby instructs the Bank to pay the principal of and interest on the Securities on the dates specified in the Authorizing Document.

ARTICLE FOUR REGISTRAR

Section 4.01 Security Register - Transfers and Exchanges. The Bank agrees to keep and maintain for and on behalf of the Issuer at the Bank Office books and records (herein sometimes referred to as the "Security Register") for recording the names and addresses of the Holders of the Securities, the transfer, exchange and replacement of the Securities and the payment of the principal of and interest on the Securities to the Holders and containing such

other information as may be reasonably required by the Issuer and subject to such reasonable regulations as the Issuer and the Bank may prescribe. All transfers, exchanges and replacements of Securities shall be noted in the Security Register.

Every Security surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, the signature on which has been guaranteed by an officer of a federal or state bank or a member of the National Association of Securities Dealers, such written instrument to be in a form satisfactory to the Bank and duly executed by the Holder thereof or his agent duly authorized in writing.

The Bank may request any supporting documentation it feels necessary to effect a re-registration, transfer or exchange of the Securities.

To the extent possible and under reasonable circumstances, the Bank agrees that, in relation to an exchange or transfer of Securities, the exchange or transfer by the Holders thereof will be completed and new Securities delivered to the Holder or the assignee of the Holder in not more than three (3) business days after the receipt of the Securities to be cancelled in an exchange or transfer and the written instrument of transfer or request for exchange duly executed by the Holder, or his duly authorized agent, in form and manner satisfactory to the Paying Agent/Registrar.

Section 4.02 Securities. The Issuer shall provide additional Securities when needed to facilitate transfers or exchanges thereof. The Bank covenants that such additional Securities, if and when provided, will be kept in safekeeping pending their use and reasonable care will be exercised by the Bank in maintaining such Securities in safekeeping, which shall be not less than the care maintained by the Bank for debt securities of other governments or corporations for which it serves as registrar, or that is maintained for its own securities.

Section 4.03 Form of Security Register. The Bank, as Registrar, will maintain the Security Register relating to the registration, payment, transfer and exchange of the Securities in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Security Register in any form other than those which the Bank has currently available and currently utilizes at the time.

The Security Register may be maintained in written form or in any other form capable of being converted into written form within a reasonable time.

Section 4.04 List of Security Holders. The Bank will provide the Issuer at any time requested by the Issuer, upon payment of the required fee, a copy of the information contained in the Security Register. The Issuer may also inspect the information contained in the Security Register at any time the Bank is customarily open for business, provided that reasonable time is allowed the Bank to provide an up-to-date listing or to convert the information into written form.

The Bank will not release or disclose the contents of the Security Register to any person other than to, or at the written request of, an authorized officer or employee of the Issuer, except upon receipt of a court order or as otherwise required by law. Upon receipt of a court order and prior to the release or disclosure of the contents of the Security Register, the Bank will notify the Issuer so that the Issuer may contest the court order or such release or disclosure of the contents of the Security Register.

Section 4.05 Return of Cancelled Securities. The Bank will, at such reasonable intervals as it determines, surrender to the Issuer, all Securities in lieu of which or in exchange for which other Securities have been issued, or which have been paid.

Section 4.06 Mutilated, Destroyed, Lost or Stolen Securities. The Issuer hereby instructs the Bank, subject to the provisions of the Authorizing Document, to deliver and issue Securities in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities as long as the same does not result in an overissuance.

In case any Security shall be mutilated, destroyed, lost or stolen, the Bank may execute and deliver a replacement Security of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Security, or in lieu of and in substitution for such mutilated, destroyed, lost or stolen Security, only upon the approval of the Issuer and after (i) the filing by the Holder thereof with the Bank of evidence satisfactory to the Bank of the destruction, loss or theft of such Security, and of the authenticity of the ownership thereof and (ii) the furnishing to the Bank of indemnification in an amount satisfactory to hold the Issuer and the Bank harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Security shall be borne by the Holder of the Security mutilated, destroyed, lost or stolen.

Section 4.07 Transaction Information to Issuer. The Bank will, within a reasonable time after receipt of written request from the Issuer, furnish the Issuer information as to the Securities it has paid pursuant to Section 3.01, Securities it has delivered upon the transfer or exchange of any Securities pursuant to Section 4.01, and Securities it has delivered in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities pursuant to Section 4.06.

ARTICLE FIVE THE BANK

Section 5.01 Duties of Bank. The Bank undertakes to perform the duties set forth herein and agrees to use reasonable care in the performance thereof.

Section 5.02 Reliance on Documents, Etc.

(a) The Bank may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Bank.

(b) The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Bank was negligent in ascertaining the pertinent facts.

(c) No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

(d) The Bank may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction,

consent, order, bond, note, security or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality of the foregoing statement, the Bank need not examine the ownership of any Securities, but is protected in acting upon receipt of Securities containing an endorsement or instruction of transfer or power of transfer which appears on its face to be signed by the Holder or an agent of the Holder. The Bank shall not be bound to make any investigation into the facts or matters stated in a resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document supplied by the Issuer.

(e) The Bank may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

(f) The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

(g) The Bank is also authorized to transfer funds relating to the closing and initial delivery of the Securities in the manner disclosed in the closing memorandum or letter as prepared by the Issuer, the Financial Advisor or other agent. The Bank may act on a facsimile or e-mail transmission of the closing memorandum or letter acknowledged by the Issuer, the Issuer's financial advisor or other agent as the final closing memorandum or letter. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions.

Section 5.03 Recitals of Issuer. The recitals contained herein with respect to the Issuer and in the Securities shall be taken as the statements of the Issuer, and the Bank assumes no responsibility for their correctness.

The Bank shall in no event be liable to the Issuer, any Holder or Holders of any Security, or any other Person for any amount due on any Security from its own funds.

Section 5.04 May Hold Securities. The Bank, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer with the same rights it would have if it were not the Paying Agent/Registrar, or any other agent.

Section 5.05 Moneys Held by Bank - Paying Agent Account/Collateralization. A paying agent account shall at all times be kept and maintained by the Bank for the receipt, safekeeping, and disbursement of moneys received from the Issuer under this Agreement for the payment of the Securities, and money deposited to the credit of such account until paid to the Holders of the Securities shall be continuously collateralized by securities or obligations which qualify and are eligible under both the laws of the State of Texas and the laws of the United States of America to secure and be pledged as collateral for paying agent accounts to the extent such money is not insured by the Federal Deposit Insurance Corporation. Payments made from such paying agent account shall be made by check drawn on such account unless the owner of the Securities shall, at its own expense and risk, request an alternative method of payment.

Subject to the applicable unclaimed property laws of the State of Texas, any money deposited with the Bank for the payment of the principal of, premium (if any), or interest on any Security and remaining unclaimed for three years after final maturity of the Security has become

due and payable will be held by the Bank and disposed of only in accordance with Title 6 of the Texas Property Code, as amended. The Bank shall have no liability by virtue of actions taken in compliance with this provision.

The Bank is not obligated to pay interest on any money received by it under this Agreement.

This Agreement relates solely to money deposited for the purposes described herein, and the parties agree that the Bank may serve as depository for other funds of the Issuer, act as trustee under indentures authorizing other bond transactions of the Issuer, or act in any other capacity not in conflict with its duties hereunder.

Section 5.06 Indemnification. To the extent permitted by law, the Issuer agrees to indemnify the Bank for, and hold it harmless against, any loss, liability, or expense incurred without negligence or bad faith on its part, arising out of or in connection with its acceptance or administration of its duties hereunder, including the cost and expense against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Agreement.

Section 5.07 Interpleader. The Issuer and the Bank agree that the Bank may seek adjudication of any adverse claim, demand, or controversy over its person as well as funds on deposit, in either a Federal or State District Court located in the state and county where the administrative office of the Issuer is located, and agree that service of process by certified or registered mail, return receipt requested, to the address referred to in Section 6.03 of this Agreement shall constitute adequate service. The Issuer and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction in the State of Texas to determine the rights of any Person claiming any interest herein.

In the event the Bank becomes involved in litigation in connection with this Section, the Issuer, to the extent permitted by law, agrees to indemnify and save the Bank harmless from all loss, cost, damages, expenses, and attorney fees suffered or incurred by the Bank as a result. The obligations of the Bank under this Agreement shall be performable at the principal corporate office of the Bank in the City of Dallas, Texas.

Section 5.08 DTC Services. It is hereby represented and warranted that, in the event the Securities are otherwise qualified and accepted for "Depository Trust Company" services or equivalent depository trust services by other organizations, the Bank has the capability and, to the extent within its control, will comply with the "Operational Arrangements", which establishes requirements for securities to be eligible for such type depository trust services, including, but not limited to, requirements for the timeliness of payments and funds availability, transfer turnaround time, and notification of redemptions and calls.

However, if the Issuer fails to appoint a successor Paying Agent/Registrar within a reasonable time, the Bank may petition a court of competent jurisdiction within the State of Texas to appoint a successor. Furthermore, the Bank and the Issuer mutually agree that the effective date of an early termination of this Agreement shall not occur at any time which would disrupt, delay or otherwise adversely affect the payment of the Securities.

Upon an early termination of this Agreement, the Bank agrees to promptly transfer and deliver the Security Register (or a copy thereof), together with the other pertinent books and

Delivered to the Issuer herewith as a good faith deposit is a corporate check of the Underwriter payable to the order of the Issuer in the amount of \$55,600. Such check is a "Good Faith" check for the Certificates and may be applied toward any obligation of the Underwriter owing as a result of the failure of the Underwriter to accept delivery of the Certificates, as provided herein. In the event the Issuer accepts this Agreement, the Issuer agrees to hold such check uncashed until the Closing (defined herein) to ensure the performance by the Underwriter of its obligations to purchase, accept delivery of and pay for the Certificates at the Closing. Immediately following the payment by the Underwriter of the purchase price of the Certificates, the Issuer shall return such check to the Underwriter. In the event that the Issuer does not accept this Agreement, such check will be immediately returned to the Underwriter. Should the Issuer fail to deliver the Certificates at the Closing, or should the Issuer be unable to satisfy the conditions of the obligations of the Underwriter to purchase, accept delivery of and pay for the Certificates, as set forth in this Agreement (unless waived by the Underwriter), or should such obligations of the Underwriter be terminated for any reason permitted by this Agreement, such check shall immediately be returned to the Underwriter. In the event the Underwriter fails (other than for a reason permitted hereunder) to purchase, accept delivery of and pay for the Certificates at the Closing as herein provided, such check shall be retained by the Issuer as full liquidated damages for such failure of the Underwriter and for any defaults hereunder on the part of the Underwriter. The Underwriter and the Issuer understand that in such event the Issuer's actual damages may be greater or may be less than such amount. Accordingly, the Underwriter hereby waives any right to claim that the Issuer's actual damages are less than such amount, and the Issuer's acceptance of this Agreement shall constitute a waiver of any right the Issuer may have to additional damages from the Underwriter. The Underwriter hereby agrees not to stop payment on the check, or cause payment on the check to be stopped, unless the Issuer has breached any of the terms of this Agreement.

2. **Public Offering.** The Underwriter agrees to make a bona fide public offering of all of the Certificates at prices or yields not to exceed the public offering prices or yields set forth on page ii of the Official Statement and may subsequently change such offering prices or yields without any requirement of prior notice. The Underwriter may offer and sell Certificates to certain dealers (including dealers depositing Certificates into investment trusts) and others at prices lower than the public offering prices or yields stated on page ii of the Official Statement; provided that on or before the Closing, the Underwriter shall execute and deliver to Fulbright & Jaworski LLP ("*Bond Counsel*"), an issue price certificate for the Certificates prepared by Bond Counsel verifying the initial offering prices to the public at which the Underwriter reasonably expected to sell or in fact sold a substantial amount of each stated maturity of the Certificates to the public.

3. **The Official Statement.**

(a) The Issuer previously has delivered, or caused to be delivered, to the Underwriter the Preliminary Official Statement dated May 5, 2014 (the "*Preliminary Official Statement*") in a "designated electronic format," as defined in the Municipal Securities Rulemaking Board's ("*MSRB*") Rule G-32 ("*Rule G-32*"). The Issuer will prepare, or cause to be prepared, a final Official Statement relating to the Certificates, which will be (i) dated the date of this Agreement, (ii) complete within the meaning of the United States Securities and Exchange Commission's Rule 15c2-12, as amended (the "*Rule*"), (iii) in a "designated electronic format" and (iv) substantially in the form of the most recent version of the Preliminary Official Statement provided to the Underwriter before the execution hereof. Such final Official Statement, including the cover page thereto, all exhibits, schedules, appendices, maps, charts, pictures, diagrams, reports, and statements included or incorporated therein or attached thereto, and all amendments and supplements thereto that may be authorized for use with respect to the Certificates, is herein referred to as the "*Official Statement*." Until the Official Statement has been prepared and is available for distribution, the Issuer shall provide to the Underwriter sufficient quantities (which may be in electronic format) of the Preliminary Official Statement as the Underwriter deems reasonably necessary to satisfy the obligation of the Underwriter under the Rule with respect to distribution to each potential customer, upon request, of a copy of the Preliminary Official Statement.

(b) The Preliminary Official Statement has been prepared for use by the Underwriter in connection with the public offering, sale and distribution of the Certificates. The Issuer hereby represents and warrants that the Preliminary Official Statement has been deemed final by the Issuer as of its date, except for the omission of such information which is dependent upon the final pricing of the Certificates for completion, all as permitted to be excluded by Section (b)(1) of the Rule.

(c) The Issuer hereby authorizes the Official Statement and the information therein contained to be used by the Underwriter in connection with the public offering and the sale of the Certificates. The Issuer consents to the use by the Underwriter prior to the date hereof of the Preliminary Official Statement in connection with the public offering of the Certificates. The Issuer shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the Issuer's acceptance of this Agreement (but, in any event, not later than within seven (7) business days after the

Issuer's acceptance of this Agreement and in sufficient time to accompany any confirmation that requests payment from any customer) the Official Statement which is complete as of the date of its delivery to the Underwriter. The Issuer shall provide the Official Statement, or cause the Official Statement to be provided, (i) in a "designated electronic format" consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of the Rule and the rules of the MSRB.

(d) If, after the date of this Agreement to and including the date the Underwriter is no longer required to provide an Official Statement to potential customers who request the same pursuant to the Rule (the earlier of (i) ninety (90) days from the "end of the underwriting period" (as defined in the Rule) and (ii) the time when the Official Statement is available to any person from the MSRB, but in no case less than twenty-five (25) days after the "end of the underwriting period" for the Certificates), the Issuer becomes aware of any fact or event which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein, in light of the circumstances under which they were made, or necessary to make the statements therein not misleading, or if it is necessary to amend or supplement the Official Statement to comply with law, the Issuer will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time reasonably request), and if, in the reasonable judgment of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Official Statement, the Issuer will forthwith prepare and furnish, at the Issuer's own expense (in a form and manner approved by the Underwriter), either an amendment or a supplement to the Official Statement so that the statements in the Official Statement as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, in light of the circumstances under which they were made, or necessary to make the statements therein not misleading or so that the Official Statement will comply with law; provided, however, that for all purposes of this Agreement and any certificate delivered by the Issuer in accordance herewith, the Issuer makes no representations with respect to (i) the descriptions in the Preliminary Official Statement or the Official Statement of The Depository Trust Company, New York, New York ("DTC"), or its book-entry-only system or (ii) the information contained in the Preliminary Official Statement or the Official Statement under the caption "OTHER INFORMATION – Underwriting of the Certificates." If such notification shall be subsequent to the Closing, the Issuer shall furnish such legal opinions, certificates, instruments and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of such supplement or amendment to the Official Statement. The Issuer shall provide any such amendment or supplement, or cause any such amendment or supplement to be provided in a "designated electronic format" consistent with the requirements of Rule G-32.

(e) The Underwriter hereby agrees to file the Official Statement with the MSRB through its Electronic Municipal Market Access ("EMMA") system on or before the date of the Closing. Unless otherwise notified in writing by the Underwriter, the

Issuer can assume that the “end of the underwriting period” for purposes of the Rule is the date of the Closing.

4. **Representations, Warranties, and Covenants of the Issuer.** The Issuer hereby represents and warrants to and covenants with the Underwriter that:

(a) The Issuer is a political subdivision of the State of Texas (the “State”), duly operating under the statutes and the Constitution of the State and a Home Rule Charter, including specifically Texas Local Government Code, Subchapter C of Chapter 271, as amended (the “Act”), and at the date of the Closing will continue to have full legal right, power and authority under the Act (i) to adopt the Ordinance and enter into, execute and deliver this Agreement, the Continuing Disclosure Undertaking (as defined in Section 6(i)(3) hereof), and all documents required hereunder and thereunder to be executed and delivered by the Issuer (this Agreement, the Ordinance, the Continuing Disclosure Undertaking and such other documents are hereinafter referred to as the “Issuer Documents”), (ii) to sell, issue and deliver the Certificates to the Underwriter, as provided herein, and (iii) to carry out and consummate the transactions described in the Issuer Documents and the Official Statement, and the Issuer has complied, and will at the Closing be in compliance, in all material respects with the terms of the Act and the Issuer Documents as they pertain to such transactions;

(b) By all necessary official action of the Issuer prior to or concurrently with the acceptance hereof, the Issuer has duly authorized all necessary action to be taken by it for (i) the adoption of the Ordinance and the issuance and sale of the Certificates, (ii) the approval, execution and delivery of, and the performance by the Issuer of the obligations on its part, contained in the Certificates and the Issuer Documents and (iii) the consummation by it of all other transactions described in the Official Statement and the Issuer Documents and any and all such other agreements and documents as may be required to be executed, delivered and/or received by the Issuer in order to carry out, give effect to, and consummate the transactions described herein and in the Official Statement and the Mayor shall have executed and delivered this Agreement in accordance with the Ordinance and the Act;

(c) The Issuer Documents constitute legal, valid and binding obligations of the Issuer enforceable in accordance with their respective terms, subject to principles of sovereign immunity and subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors’ rights; the Certificates, when issued, delivered and paid for, in accordance with the Ordinance and this Agreement, will constitute legal, valid and binding obligations of the Issuer entitled to the benefits of the Ordinance and enforceable in accordance with their terms, subject to principles of sovereign immunity and subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors’ rights; upon the issuance, authentication and delivery of the Certificates as aforesaid, the Ordinance will provide for the payment of the Certificates by the levy, assessment and collection of an ad valorem tax, within the limitations as provided by law;

(d) To the best of its knowledge, the Issuer is not in material breach of or default in any material respect under any applicable constitutional provision, law or administrative regulation of the State or the United States or any applicable judgment or decree or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Issuer is a party or to which the Issuer is otherwise subject, and no event has occurred and is continuing which constitutes or with the passage of time or the giving of notice, or both, would constitute a default or event of default by the Issuer under any of the foregoing; and the execution and delivery of the Certificates and/or the Issuer Documents and the adoption of the Ordinance and compliance with the provisions on the Issuer's part contained therein, will not conflict with or constitute a material breach of or default under any constitutional provision, law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Issuer is a party or to which the Issuer is or to which any of its property or assets are otherwise subject nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the Issuer's ad valorem taxes to be pledged to secure the Certificates, or under the terms of any such law, regulation or instrument, except as provided by the Certificates and the Ordinance;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which are required for the due authorization of, which would constitute a condition precedent to, or the absence of which would materially adversely affect the due performance by the Issuer of its obligations under, the Issuer Documents and the Certificates have been duly obtained or will be obtained prior to Closing, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any jurisdiction in connection with the offering and sale of the Certificates;

(f) The Certificates and the Ordinance conform to the descriptions thereof contained in the Official Statement under the caption "THE CERTIFICATES"; the proceeds of the sale of the Certificates will be applied generally as described in the Official Statement under the caption "SOURCES AND USES OF CERTIFICATE PROCEEDS"; and the Continuing Disclosure Undertaking conforms to the description thereof contained in the Official Statement under the caption "CONTINUING DISCLOSURE OF INFORMATION";

(g) Except as otherwise disclosed in the Official Statement, during the last five (5) years, the Issuer has complied in all material respects with its previous continuing disclosure undertakings made by it in accordance with the Rule;

(h) There is no litigation, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to the best knowledge of the Issuer, threatened against the Issuer, affecting the existence of the Issuer or the titles of its officers to their respective offices, or affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Certificates or the levy and collection of ad valorem taxes pledged to the payment of principal of and interest on the Certificates or in any way contesting or affecting the

validity or enforceability of the Certificates or the Issuer Documents, or contesting the exclusion from gross income of interest on the Certificates for federal income tax purposes, or contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto, or contesting the powers of the Issuer or any authority for the issuance of the Certificates, the adoption of the Ordinance or the execution and delivery of the Issuer Documents, nor, to the best knowledge of the Issuer, is there any basis therefor, wherein an unfavorable decision, ruling or finding would materially adversely affect the validity or enforceability of the Certificates or the Issuer Documents;

(i) As of the date thereof, the Preliminary Official Statement did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(j) At the time of the Issuer's acceptance hereof and (unless the Official Statement is amended or supplemented pursuant to paragraph (d) of Section 3 of this Agreement) at all times subsequent thereto during the period up to and including the twenty-fifth (25th) day subsequent to the "end of the underwriting period," the Official Statement does not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, that if the Issuer notifies the Underwriter of any fact or event as required by Section 3(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Official Statement, then the Official Statement in its then-current form shall be conclusively deemed to be complete and correct in all material respects and the Issuer shall have no further obligation under this section or Section 3(d) with respect to such event;

(k) If the Official Statement is supplemented or amended pursuant to paragraph (d) of Section 3 of this Agreement, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including the twenty-fifth (25th) day subsequent to the "end of the underwriting period", the Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, that if the Issuer notifies the Underwriter of any fact or event as required by Section 3(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Official Statement, then the Official Statement in its then-current form shall be conclusively deemed to be complete and correct in all material respects and the Issuer shall have no further obligation under this section or Section 3(d) with respect to such event;

(l) The Issuer will apply, or cause to be applied, the proceeds from the sale of the Certificates as provided in and subject to all of the terms and provisions of the

Ordinance and will not take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Certificates;

(m) The Issuer will furnish such information and execute such instruments and take such action in cooperation with the Underwriter, at the sole expense of the Underwriter, as the Underwriter may reasonably request (1) to (i) qualify the Certificates for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate and (ii) determine the eligibility of the Certificates for investment under the laws of such states and other jurisdictions and (2) to continue such qualifications in effect so long as required for the distribution of the Certificates (provided, however, that the Issuer will not be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any jurisdiction) and will advise the Underwriter immediately of receipt by the Issuer of any notification with respect to the suspension of the qualification of the Certificates for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose;

(n) The financial statements of, and other financial information regarding, the Issuer in the Official Statement fairly present the financial position, results of operations and condition of the Issuer as of the dates and for the periods therein set forth; and there has been no adverse change of a material nature in such financial position, results of operations or condition, financial or otherwise, since the dates of such statements and information;

(o) The Issuer is not a party to any litigation or other proceeding pending or, to its knowledge, threatened which, if decided adversely to the Issuer, would have a materially adverse effect on the financial condition of the Issuer;

(p) Prior to the Closing, the Issuer will not offer or issue any bonds, notes or other obligations for borrowed money or incur any material liabilities, direct or contingent, payable from or secured by any of the revenues or assets which will secure the Certificates, except as may be incurred in the ordinary course of business, without the prior approval of the Underwriter, such approval not to be unreasonably withheld;

(q) Any certificate, signed by any official of the Issuer authorized to do so in connection with the transactions described in this Agreement, shall be deemed a representation and warranty by the Issuer to the Underwriter as to the statements made therein; and

(r) The Issuer covenants that between the date hereof and the date of the Closing it will take no action which will cause the representations and warranties made in this Section to be untrue as of the date of the Closing.

By delivering the Official Statement to the Underwriter, the Issuer shall be deemed to have reaffirmed, with respect to such Official Statement, the representations, warranties and covenants set forth above with respect to the Preliminary Official Statement.

5. Closing.

(a) At 10:00 a.m. Dallas, Texas time, on June 12, 2014, or at such other time and date as shall have been mutually agreed upon by the Issuer and the Underwriter (the "Closing"), the Issuer will, subject to the terms and conditions hereof, deliver the Certificates to The Bank of New York Mellon Trust Company, N.A., Dallas, Texas (the "Paying Agent/Registrar"), as the entity appointed by the Issuer to take delivery of the Certificates on behalf of the Underwriter, duly executed and authenticated, together with the other documents hereinafter mentioned, and the Paying Agent/Registrar, as the entity appointed by the Issuer to take delivery of the Certificates on behalf of the Underwriter, will, subject to the terms and conditions hereof, accept such delivery and the Underwriter will pay the purchase price of the Certificates as set forth in Section 1 of this Agreement by wire transfer payable in immediately available funds to the order of the Issuer. 6. Closing Conditions. The Underwriter has entered into this Agreement in reliance upon the representations, warranties and agreements of the Issuer contained herein, and in reliance upon the representations, warranties and agreements to be contained in the documents and instruments to be delivered at the Closing and upon the performance by the Issuer of its obligations hereunder, both as of the date hereof and as of the date of the Closing. Accordingly, the Underwriter's obligations under this Agreement to purchase, to accept delivery of and to pay for the Certificates shall be conditioned upon the performance by the Issuer of its obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject to the following additional conditions, including the delivery by the Issuer of such documents as are enumerated herein, in form and substance reasonably satisfactory to the Underwriter:

(g) The Issuer shall not currently be in default with respect to the payment of principal or interest when due on any of its outstanding obligations for borrowed money;

(h) All steps to be taken and all instruments and other documents to be executed, and all other legal matters in connection with the transactions described in this Agreement shall be reasonably satisfactory in legal form and effect to the Underwriter;

(i) At or prior to the Closing, the Underwriter shall have received a copy of each of the following executed or certified documents:

(i) the Certificates are exempted securities under the 1933 Act and the Trust Indenture Act and it is not necessary, in connection with the offering and sale of the Certificates, to register the Certificates under the 1933 Act and the Ordinance need not be qualified under the Trust Indenture Act; and

(ii) based upon their participation in the preparation of the Official Statement as counsel for the Underwriter and their participation at conferences at which the Official Statement was discussed, but without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the Official Statement, such

counsel has no reason to believe that the Official Statement contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (except for any financial, forecast, technical and statistical statements and data included in the Official Statement and the information regarding DTC and its book-entry system, as to which no view need be expressed);

(8) a certificate, dated the date of Closing, of the appropriate official of the Issuer to the effect that (i) the representations and warranties of the Issuer contained herein are true and correct in all material respects on and as of the date of Closing as if made on the date of Closing; (ii) no litigation or proceeding against the Issuer is pending or, to the best of his or her knowledge, threatened in any court or administrative body nor is there a basis for litigation which would (a) contest the right of the officers or officials of the Issuer to hold and exercise their respective positions, (b) contest the due organization and valid existence of the Issuer, (c) contest the validity, due authorization and execution of the Certificates or the Issuer Documents or (d) attempt to limit, enjoin or otherwise restrict or prevent the Issuer from functioning and collecting ad valorem taxes, including for payments on the Certificates, pursuant to the Ordinance, or the levy or collection of the ad valorem taxes pledged to pay the principal of and interest on the Certificates, or the pledge thereof; (iii) all official action of the Issuer relating to the Official Statement, the Certificates and the Issuer Documents have been duly taken by the Issuer, are in full force and effect and have not been modified, amended, supplemented or repealed; (iv) to the best of his or her knowledge, no event affecting the Issuer has occurred since the date of the Official Statement which should be disclosed in the Official Statement for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information therein, in light of the circumstances under which they were made, not misleading in any material respect as of the time of Closing, and the information contained in the Official Statement is correct in all material respects and, as of the date of the Official Statement did not, and as of the date of Closing does not, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading; and (v) there has not been any material adverse change in the financial condition of the Issuer since September 30, 2013, the latest date as of which audited financial information is available;

(9) a certificate of the Issuer, dated the date of the Closing, of an appropriate official of the Issuer in form and substance satisfactory to Bond Counsel setting forth the facts, estimates and circumstances in existence on the date of the Closing, which establish that it is not expected that the proceeds of the Certificates will be used in a manner that would cause the Certificates to be "arbitrage bonds" within the meaning of section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and any applicable regulations (whether final, temporary or proposed) issued pursuant to the Code;
