CITY OF CELINA’S MOTION FOR PREHEARING CONFERENCE

NOW COMES, the City of Celina (“City” or “Celina”) and files this Motion for Prehearing Conference and would respectfully show as follows:

I.

Petitioner Ratepayers initiated the case by filing their petition on February 14, 2019. The Commission Staff has issued four separate rounds of discovery involving thousands of pages of documents.

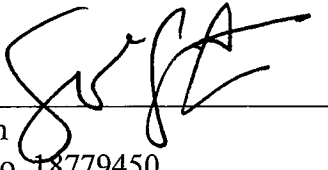

No procedural schedule has been set in this case and no prehearing conference has been set for the parties to discuss such a schedule. The City of Celina wishes to have its opportunity to present its direct case in this matter but is unable to do so in the absence of a procedural schedule.

Therefore, the City of Celina respectfully requests that the Administrative Law Judge schedule a prehearing conference in this docket for the purpose of setting a procedural schedule and for such other matters as the ALJ may deem appropriate. In the alternative, the City of Celina requests that this matter be sent to the State Office of Administrative Hearings where a prehearing conference can be scheduled for the same purposes.

Respectfully submitted,
