RECEIVED  
PUBLIC UTILITY COMMISSION

**UNDINE TEXAS, LLC'S**  
**NOVEMBER 2020 STATUS REPORT & REQUEST FOR EXTENSION**

COMES NOW Undine Texas, LLC ("Undine") and files this November 2020 Status Report in response to Order No. 13. Order No. 13 directed the Applicants to provide, on a monthly basis beginning July 31, 2020, an update on efforts to complete the transaction. This pleading is therefore timely filed.

Undine hereby reports that despite the diligent efforts of Undine and Texas Water Systems, Inc. ("Texas Water") to close the transaction in advance of the December 28, 2020 deadline, the parties have found that due to various circumstances, including delay in evaluation of the assets due to various restrictions relating to the Covid-19 pandemic, they will be unable to close the transaction by the identified deadline.

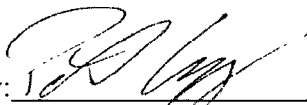

Undine hereby requests a ninety (90) day extension to the December 28, 2020 deadline, to March 28, 2020, to close the transaction. Undine represents that this request is not being made for the purpose of delay, but in order to properly conclude all of the actions prerequisite to closing the transaction. Undine is prepared to submit further information in support of this request as the request of the Administrative Law Judge.

62

The undersigned has consulted with John Harrison, counsel for Commission Staff, who has stated he has no objection to this request.

Respectfully Submitted,

**DuBois, Bryant & Campbell, LLP**
