**ORDER NO. 14
GRANTING EXTENSION**

This Order addresses the November 30, 2020 request by Undine Texas, LLC for an extension of time to complete the transaction. Undine Texas requests additional time to complete the transaction due to delays relating to the Covid-19 pandemic. Undine Texas indicates that Commission Staff does not object to the extension.

The administrative law judge grants the request for an extension. On or before March 28, 2021, Undine and Texas Water Systems, Inc. must complete the transaction. In an effort to finalize this case as soon as possible, the applicants must continue to file monthly updates regarding the status of the transaction. As soon as possible after the effective date of the transaction, but not later than 30 days after the effective date, the applicants must file proof that the transaction has been consummated and customer deposits have been addressed.

Within 15 days following the filing of the applicants' proof that the transaction has been consummated and customer deposits, if any, have been addressed, Commission Staff must file a recommendation regarding the sufficiency of the documents and propose a schedule for continued processing of this docket.

Signed at Austin, Texas the 1st day of December 2020.
