**ORDER NO. 15
GRANTING EXTENSION**

This Order addresses the March 1, 2021 request by Undine Texas, LLC for a 90-day extension to complete the transaction. Undine Texas requests the additional time to complete the transaction because of delays relating to the Covid-19 pandemic. Undine Texas represents that Commission Staff does not object to the extension.

The administrative law judge grants the request for an extension. On or before June 28, 2021, Undine and Texas Water Systems, Inc. must complete the transaction. In an effort to finalize this case as soon as possible, the applicants must continue to file monthly updates regarding the status of the transaction. As soon as possible after the effective date of the transaction, but not later than 30 days after the effective date, the applicants must file proof that the transaction has been consummated and customer deposits have been addressed.

Within 15 days following the filing of the applicants' proof that the transaction has been consummated and customer deposits, if any, have been addressed, Commission Staff must file a recommendation regarding the sufficiency of the documents and propose a schedule for continued processing of this docket.
