RE: Floresville Water and Sewer CCN Amendment Application
Docket 49262

To whom it may concern,

On behalf of the City of Floresville (the City), M&S Engineering respectfully requests an extension to the due dates for the sewer CCN amendment, Docket Number 49263. The Public Utility Commission (PUC) has stated multiple deficiencies with the affidavits and public notices. However, due to the holiday season M&S has been unable to contact and clarify the issues mentioned in the previous sufficiency letters from the PUC. Therefore, M&S requests an extension in order to clarify and address the remaining issues.

If you may have any questions or concerns, please do not hesitate to contact me at JRaveney@msengr.com or 830-228-4193

Sincerely,

James Raveney, E.I.T
