RE: Floresville Sewer CCN Amendment Application
Docket 49262
Request to Opt-out of Amended CCN

To whom it may concern,

On November 20, 2019, an opt-out request was filed with the PUC by John and Carolyn Hill stating that they wished for their property located at 2022 G Street in Floresville, Texas, to be excluded from the requested amended CCN service area. However, the referenced property is wholly located within the **existing**, already certificated sewer CCN service area of the City of Floresville. Therefore, because the property is not located within the requested service area, there are no grounds to exclude the property from the requested amended CCN area.

If you may have any questions or concerns, please do not hesitate to contact me at brkosub@msengr.com or 830-228-4136.

Sincerely,
