ORDER NO. 7  
GRANTING EXTENSION AND REVISING DEADLINES

This Order addresses Commission Staff's November 21, 2019, request to extend the deadlines to file a final recommendation on the application and for the parties to file joint proposed findings of fact and conclusions of law. Commission Staff states that additional discovery is needed to address Jackson Water Supply Corporation's need for the addition of over 4,000 acres to its service area. At the time of filing the request, Commission Staff stated its attempt to contact Jackson Water Supply was not successful.

The administrative law judge grants Commission Staff's request for extension and revises the remainder of the procedural schedule as follows:

| Event   | Date              |
|---|-------------------|
| If no hearing is requested, deadline for Commission Staff to file a final recommendation on the application     | January 30, 2020  |
| If no hearing is requested, deadline for parties to file joint proposed findings of fact and conclusions of law | February 13, 2020 |

Signed at Austin, Texas the 25<sup>th</sup> day of November 2019.
