**MOTION FOR EXTENSION OF TIME**

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest and files this Motion for Extension of Time and would show the following:

On February 28, 2019, Yancey WSC filed an application to amend its water Certificate of Convenience and Necessity (CCN) No. 11463, in Medina and Frio Counties, Texas. The requested area includes approximately 224,705 acres and 1,764 connections. On November 25, 2019, the Administrative Law Judge (ALJ) issued Order No. 9, establishing March 13, 2020 as the deadline for Staff to provide final maps, certificates, and tariffs.

Pursuant to 16 TAC § 22.4(b), Staff may request that the time allowed for the filing of any documents be extended for good cause. Staff still needs additional data and mapping information from Yancey WSC. As such, Staff requests an extension to provide final maps, certificates, and tariffs (if applicable) to Yancey WSC until May 13, 2020. Yancey WSC, San Antonio Water System, and East Medina County Special Utility District are agreeable to this motion.
