**ORDER NO. 13
GRANTING EXTENSION REQUEST**

This Order addresses East Medina County Special District, San Antonio Water System, Yancey Water Supply Corporation, and Commission Staff's joint motion for extension of time filed on June 17, 2020, to jointly file proposed findings of fact, conclusions of law, and ordering paragraphs.

The administrative law judge (ALJ) grants the motion for extension. The parties must file a joint motion to admit evidence and proposed order containing detailed, legally sufficient findings of fact, conclusions of law, and ordering paragraphs by June 24, 2020.

Additionally, in Order No. 12 filed on April 1, 2020, the ALJ directed Commission Staff to, by April 22, 2020, make a recommendation with respect to the March 6, 2020 letter filed by Two Creeks Ranch, LLC asking to withdraw its prior opt-out request. Commission Staff did not comply with this directive. Therefore, also by July 2, 2020, Commission Staff must report how or whether Two Creeks' request has been dealt with.

Signed the 18th day of June 2020.
