**ORDER NO. 14
GRANTING EXTENSION REQUEST**

This Order addresses Commission Staff, Yancey Water Supply Corporation, San Antonio Water System, and East Medina County Special District's joint motion for extension of time filed on June 24, 2020, to jointly file proposed findings of fact, conclusions of law, and ordering paragraphs. Commission Staff notes that it does not request an extension to report how or whether Two Creeks' request has been dealt with, as required in Order No. 12.

With reluctance, the administrative law judge (ALJ) grants the motion for extension. By the ALJ's count, an impressive *nine extensions* have now been granted in this case. At some point, the number of extensions granted becomes silly. Any further extension request will have to overcome a steep hurdle to be granted. The parties must file a joint motion to admit evidence and proposed order containing detailed, legally sufficient findings of fact, conclusions of law, and ordering paragraphs by July 8, 2020.

Signed at Austin, Texas the 25th day of June 2020.
