SECOND JOINT MOTION FOR EXTENSION OF TIME

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), Yancey Water Supply Corporation, San Antonio Water System, and East Medina County Special District (collectively, the Parties) and files this Second Joint Motion for Extension of Time and would show the following:

I. BACKGROUND

On February 28, 2019, Yancey WSC filed an application to amend its water Certificate of Convenience and Necessity (CCN) No. 11463, in Medina and Frio Counties, Texas. The requested area includes approximately 224,705 acres and 1,764 connections. On September 10, 2020, the Administrative Law Judge (ALJ) issued Order No. 17, establishing September 24, 2020 as the deadline for parties to file a clarification and the consented map and certificate.

II. MAP AND CERTIFICATE

In Order No.17, the ALJ requested that Staff file the consented map and certificate as referenced in Staff's corrected amended final recommendation filed on August 7, 2020. On August 7, 2020, Staff filed the attached map and certificate, along with its a corrected amended final recommendation. Unfortunately, while the attached map and certificate were included in the native files, they were inadvertently not scanned. The map and certificate attached to the August 7, 2020 filing have been refiled, and are now included on the Interchange.

III. JOINT REQUEST FOR EXTENSION OF TIME

Pursuant to 16 TAC § 22.4(b), the Parties may request that the time allowed for the filing of any documents be extended for good cause. The Parties need additional time to discuss and resolve the mapping issues, including the amount of uncertificated acreage requested in this docket

and file the clarification. The Parties respectfully request that the deadline for the Parties to file a clarification be extended until October 26, 2020.

IV. CONCLUSION

The Parties respectfully request an order granting their request for a motion for extension of time until October 26, 2020.

Date: September 24, 2020

Respectfully Submitted,
