ORDER NO. 5

**FINDING PETITION ADMINISTRATIVELY COMPLETE AND NOTICE
SUFFICIENT, AND ESTABLISHING PROCEDURAL SCHEDULE**

This Order addresses the petition of Previllage, LLC to amend HMW Special Utility District's water certificate of convenience and necessity in Harris County by expedited release.

On April 2, 2019, HMW Special Utility District filed a motion requesting the striking and dismissal of the application. On July 10, 2019, Previllage filed a response to the motion, and Commission Staff filed its response on July 19, 2019. Commission Staff recommends the denial of the motion to dismiss, and that the application be found administratively complete. Commission Staff recommended that the notice be found sufficient in its June 3, 2019 supplemental recommendation.

The ALJ finds the petition administratively complete and the notice sufficient. The following procedural schedule applies:

Event	Date
Deadline for HMW and any other intervenors to file a response to the administratively complete petition	September 12, 2019
Deadline for Commission Staff's recommendation on final disposition	September 19, 2019
Deadline to file a response to Commission Staff's recommendation on final disposition ¹	September 26, 2019
Sixty-day administrative approval	November 4, 2019

¹ Petitioners' response must be limited to briefing and argument. Submission of any additional proof will be deemed a new petition.

Signed at Austin, Texas the 5th day of September 2019.
