**ORDER NO. 2
FINDING PETITION INCOMPLETE AND
ESTABLISHING AN OPPORTUNITY TO CURE**

This Order addresses the petition of Previllage, LLC filed on March 1, 2019, requesting to amend HMW Special Utility District's water certificate of convenience and necessity in Harris County by expedited release. On March 28, 2019, Commission Staff filed a recommendation on administrative completeness and proposed notice.

The petition does not contain proof that a copy of the petition was sent via certified mail to HMW. Additionally, the petition filed on March 1, 2019 lists the property to be released as lying within Montgomery County, but the attached maps list the property within Harris County. Therefore, the petition, in its current form, does not comply with 16 Texas Administrative Code §24.245(l)(4)(A).

On or before May 22, 2019, Previllage must supplement the petition to cure the deficiencies described in Commission Staff's recommendation and to correctly identify the location of the property requested to be released.

On or before June 5, 2019, Commission Staff must file a supplemental recommendation regarding administrative completeness, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 24th day of April 2019.
