Re: Docket No. 49290: Petition of SWWC Utilities, Inc. dba Water Services, Inc.
Appealing the Order of the City of Bulverde in Complaint No. 2018-01

To the Administrative Law Judge:

Order Number 2, issued on April 5, 2019, found SWWC Utilities, Inc. dba Water Services, Inc.'s ("SWWC") petition to be deficient and established a deadline of May 1, 2019 for SWWC to: (1) supplement the petition to cure the deficiencies described in the Staff of the Public Utility Commission of Texas ("Staff") March 19, 2019 response by providing the information omitted from the original petition and requested by Staff; and (2) respond to Staff's assertion that this matter should be handled as a complaint proceeding under 16TAC§22.242. This response is timely filed.

The purpose of this letter is to notify you that SWWC hereby withdraws its original petition and will refile the matter as a formal complaint before the Commission, pursuant to Staff's recommendation.

Please contact me if any questions or if additional information is needed.
