Re: Park Water Company - Docket No. 49311
Water Certificate of Convenience and Necessity No. 13278
Sewer Certificate of Convenience and Necessity No. 21115
Withdrawal of Notice of Temporary Economic Hardship Rates

Honorable Commissioners:

In Docket No. 49311, Park Water Company was granted water and sewer certificates of convenience and necessity for providing service to a new 261-acre residential development in an unincorporated area of Midland County. On May 8, 2020, Park Water Company filed a notice of intent to voluntarily implement reduced temporary economic hardship rates during the first eighteen (18) months from the date service begins under CCN Nos. 13278 and 21115. As of the date of this letter, Park Water Company has not implemented this proposal. The circumstances that prompted Park Water Company to consider implementing economic hardship rates have changed. This letter shall serve as Park Water Company's withdrawal of the notice and intent to voluntarily implement reduced temporary economic hardship rates for service under CCN Nos. 13278 and 21115. Park Water Company will continue to charge rates as approved by the Commission in Docket No. 49311.
