**ORDER NO. 14  
REQUESTING CLARIFICATION**

This Order addresses Commission Staff and Quadvest, L.P.'s agreed motion to admit evidence and proposed notice of approval filed on April 22, 2020. Proposed finding of fact number 22 states, "Quadvest's Public Water System number 1700889 approved by the [Texas Commission on Environmental Quality (TCEQ)] has adequate capacity to meet the projected demands in the requested area." However, in the letters from the TCEQ filed by Quadvest on August 16, 2019, and February 19, 2020, the TCEQ conditionally approved construction for facilities related to public water system (PWS) number 1700897.

On or before May 22, 2020, the parties must clarify whether construction of a physically separate facility, i.e. PWS number 1700897, is required to provide service to the requested area or if the requested area will be served by an existing PWS, i.e. PWS number 1700889.

**Signed at Austin, Texas the 8th day of May 2020.**
