**COMMISSION STAFF'S RESPONSE TO BEAR CREEK SPECIAL UTILITY
DISTRICT'S SECOND REQUEST FOR INFORMATION
QUESTION NOS. 2-1 THROUGH 2-15**

QUESTION NO. 2-6 Referencing the Direct Testimony of Emily Sears, please describe the historical period that an entity desiring to issue additional debt through the TWDB process would be required to have a 1.25x DSCR in order to successfully obtain approval of a second issuance from the TWDB.

ANSWER: The historic period that would need to be provided is the 12 months preceding the request for another loan. However, in this case, Bear Creek does not have a loan from the TWDB, and therefore, would not be required to have a 1.25x DSCR.
