COMMISSION STAFF'S REQUEST FOR EXTENSION

COMES NOW the Staff of the Public Utility Commission of Texas (Staff), representing the public interest and files this request for extension and would show the following:

I. BACKGROUND

On March 22, 2019, out-of-district ratepayers of the El Paso Water Control and Improvement District No. 4 (the District) filed a petition contesting a rate action that was effective January 1, 2019. On March 26, 2019, Order No. 1 was issued requiring a recommendation from the Staff by April 22, 2019. This request, therefore, is timely filed.

II. REQUEST FOR EXTENSION

On April 3, 2019, the Staff sent its first request for information to the District. The District's deadline to respond is April 23, 2019. Pursuant to 16 Tex. Admin. Code § 22.4(b), Staff may request that the time allowed for filing any documents be extended for good cause. At this time, Staff is still awaiting the response to the first request for information in order to formulate a recommendation. As such, Staff requests an extension of time to May 6, 2019.

III. CONCLUSION

For the reasons discussed above, Staff respectfully requests the extension be granted.

Dated: April 18, 2019
