To : kswick@hughes.net

Dear PUC :

Please find the enclosed notice for Docket. # 49380 as it relates to the enclosed information and the purchase/transfer of certain portions of CCN # 12252 in several counties , including ROBERTSON COUNTY, Texas. Of the numerous Water Systems listed on the recent notice and filing(s) , please identify the Systems in Robertson County, Texas. Also disclose the purpose of this purchase and the purchase prices paid for this producing asset.

Please include the pricing of the water products, inclusive of all cost and expense in obtaining these assets. My intervention, will depend on the time it takes for your agency to disclose this information to me , as well as other. If I or others request a hearing please disclose all cost to the parties who make this request and what actual information will be disclosed general public, as it should be.
